

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

HARAELLA RETROCALLA

Origin: Taiwan

Temperatures: Warm to cold growing small size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round

General care: Cute small size orchid with amazing citrus scent that is very strong especially in the morning. Easy to grow and blooms many times a year. These grow best under warm to cool conditions, in bright shade, good humidity, letting slightly dry out. Can be grown potted or mounted. Excellent for terrariums, vivariums, glass orbs & vases, windowsills, greenhouse growing and outside in proper zones.
