

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

MASDEVALLIA WENDLANDIANA

Origin: South America

Temperatures: Hot to intermediate growing small size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round, good quality water

General care: It's always so exciting to find hot growing Masdevallia species, and this one definitely hits all the spots! Grows best under hot to intermediate conditions, in bright shade, good quality water and high humidity. Can be grown potted or mounted. Great plant for terrariums, vivariums, vases, glass orbs, frog encounters, indoor growing on windowsills or greenhouses and outdoors in proper zones year-round.
