MICRO, MINIATURE AND SMALL ORCHIDS

## MEDIOCALCAR DECORATUM

**Origin:** Papua New Guinea

**Temperatures:** Cold to warm growing miniature size orchid species

**Light:** Bright shade / filtered LED light

**Watering & Fertilizing:** Regular watering and fertilizing year-round.

**General care:** Great mat forming miniature orchid species with super cute orange blooms, can be grown anywhere between cold to warm, prefers cool to intermediate. Likes high humidity, it is excellent candidate for any glass orbs, vases, terrariums, vivariums, frog encounters and windowsill growing. Grows very fast too. Blooms are nice size and can appear anytime of the year.
