MICRO, MINIATURE AND SMALL ORCHIDS

PLEUROTHALLIS / SPECKLINIA MORGANII

Origin: Ecuador

Temperatures: Warm to cold growing micro/miniature size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round

General care: Always very exciting to offer micro miniature creeper, this very tiny Pleurothallis definitely hits the spot! Very rare in cultivation, micro size creeping orchid produces spikes with tiny green/yellow blooms. Grows best under warm to cold conditions, in bright shade, good humidity. Can be grown potted or mounted, prefers mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
