MICRO, MINIATURE AND SMALL ORCHIDS

## PODANGIS DACTYLOCERAS

**Origin:** Africa

**Temperatures:** Hot to intermediate growing small size orchid species

**Light:** Bright light

**Watering & fertilizing:** Regular watering and fertilizing year-round

**General care:** Interesting fan shaped small size orchid species from Africa that produces cute clusters of translucent white blooms. Easy to grow species grows best under hot to intermediate conditions, in bright light, good air movement and letting dry out between waterings. Can be grown potted or mounted. Great plant for indoor growing on windowsills or greenhouses and outdoors year - round.
