

ONCIDIUM TSIKU MARQUERITE

Origin: Cross

Temperatures: Hot to cold growing small orchid hybrid

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round.

General care: This is a charming, fragrant small to medium size orchid hybrid, very easy to grow and a great starter plant for anyone, heavily fragrant. Grows best under hot to cool conditions, in bright shade or filtered light, good humidity letting dry out between waterings. Can be grown potted or mounted. Great plants for windowsills, greenhouses and outdoors in proper zones.
