HAPPY
New Year

WHO WE ARE:

Paras Pipe Fittings is a wholesale enterprise dealing in wide range of pipe and bath fittings based out of Mumbai. We are stockists of an extensive range of G.I. fittings, M.S. fittings, C.I. products and bathroom fittings. New products are constantly being added to our product line which already consist more than 3000 products. Over the past 30 years, we have served our clients not just in Mumbai but across India with top quality products and impeccable service.

OUR COMMITMENT:

We want to win-over your trust everytime. All our customers: old and new are served with the same enthusiasm and efficient service. Our products go through rounds of quality check before they reach our customers. Meeting your expectations in our quality, in our service and in our prices is of paramount priority. From the year of inception, 30 years ago, we have constantly upgraded our systems and practices to continuously serve our customers better. We want to be the best at what we do. And we will keep raising our bar of what's 'best'.

UPWARD & ONWARD:

We live in a fast-paced world that is getting transformed by technology in unimaginable ways. As we enter the 31st year of our operation, we want to embrace technology with both hands. We are optimistic about automation, process-streamlining, and the operational efficiency brought about by adopting technology. We are also keen on expanding our already wide range of product offerings making Paras Pipe Fittings clients' ultimate destination for their pipe fittings requirements. Quality, customer satisfaction, transparency and corporate responsibility are the pillars of our vision and mission and form the cornerstone of our approach that we bring to every engagement. We are excited to see how this decade unfolds for us and want you to join us as this experience unfolds. It is going to be great!
