Our Mission

Provide an exchange for consumers to **Purchase** and artisans to **Trade** a wide variety of authentic, fair trade, ethnic inspired home décor and lifestyle products for your everyday living, dining, travel, and outdoor needs. Pillows, throws, curtains, runners, rugs, curtains, lamp shades, bags, hats, scarves, wall art, and other home and lifestyle accents are all available through our online marketplace, social media, and various offline markets, etc.

Our Vision

Transform the lives of artisans, craft makers, etc. on the African continent and its Diaspora, through a leading-edge marketplace that connects talented artisans with reputable and established home décor and lifestyle brand leaders and their consumers around the world. Our marketplace provides makers on the African continent with the resources, processes, and tools required to expand their local talent and supply to meet global demand.

Our Shared Values

Empower challenged artisan communities by creating, sustaining and retaining community building initiatives that **Advocate** for and enable them to have access to basic necessities such as food, water, electricity, shelter. **Together**, we can create a world class portfolio of products and services that showcase the talent of Africa and its Diaspora. All our products are ethically made; carefully handcrafted or sewn with love; and each purchase or trade positively impacts the social and economic development of our communities.
