

EXTRAS! EXTRAS! READ ALL ABOUT IT!

JIM WEICHERDING

OUTLAW RUN The Film and Series Pilot will be filming a car show scene in the month of May this year as part of its production schedule. We are looking for classic car and truck owners, muscle car owners and hot rod owners with vehicles older than manufactured in 1976.

It's a very easy process to be an extra in this film and series pilot with your ride during the car show filming. Simply email jwpisces14@aol.com with some photos of your ride and yourself for consideration. Car show scene filming has a limited amount of space and vehicles will be chosen by year, color and model. License plates should be removed at car show scene filming location. Visual props should be included in your email for prior approval.

Car show scene filming location, date and time will be provided to those selected for showcase appearances in OUTLAW RUN The Film & Series Pilot. No alcohol or burn-outs allowed on the set of filming.

Submission deadline is March 31st, 2025. You will be notified if your ride is selected for inclusion in OUTLAW RUN The Film and Series Pilot by email no later than April 10th, 2025. Include phone number and full names with your ride submissions.
