

2024- 2025 Discovery School Tuition

REGISTRATION FEES

An annual \$125.00 non-refundable registration fee applies for each student enrolled in the program. The registration fee is required at the time of enrollment. The registration fee reserves your child's place in the program for the following school year. If you are enrolling a second or third child within the same family, the registration fee will drop down to \$50.00 for each child after the first child.

TUITION

All tuition payments are due on the 1st of the month, and late after the 10th of the month. Tuition will be paid online through the Brightwheel App. If you choose to pay by credit card on Brightwheel, there will be a credit card percentage fee charged to the total amount due. To avoid this charge, you may put your ACH information into Brightwheel instead of your debit card information and no fee will be charged.

SUPPLY & ACTIVITY FEE

There is a \$125 half day and \$150 full day supply and activity fee per semester due in July and January. The supply fee covers all child's supplies and materials throughout the school year. This may include art supplies, classroom materials, and other consumables. The activity fee will fund various themed activities and special events that go beyond the regular curriculum. This may include special event days, guest speakers, or other educational and entertaining activities, such as our end of the year party.
