

Monaco America

The RV Owner's Club of Choice

We are "**Monaco America**" the owner's club for all brands of motor coaches and towable RVs. We are a club whose desire is to share the joys of the RV lifestyle. We conduct two rallies yearly which are skillfully planned for the pleasure, enjoyment, and education of our remarkably diverse membership. Many of the varied seminars at the rallies are presented by qualified Monaco America members. The rallies are from 30 to 75+ coaches in size; that being so, we can hold our rallies at full hook-up facilities.

Our rally fees are quite reasonable considering all that is included -- meals, entertainment, site fees, seminars, ladies' tea, and more. Plus, you will have a terrific time and make many new and lasting friendships. As with any other group such as Monaco America, we are run by dedicated volunteers who genuinely enjoy being together and making certain our rallies are great fun. Our Monaco America's Ladies' Tea sponsors a local charity at each rally. This function has been extremely rewarding, not only to the chosen charity, but to Monaco America as a whole. We currently have approximately 500 dues paying members from all over the United States and Canada.

Monaco America publishes the "**Monaco America News**" three times yearly. This is one of two tools we have to keep our membership informed. We also have a website with a wealth of information. Of help to new members or those considering joining Monaco America is the posting of all our previously published Newsletters. By reviewing these, you can easily get a true feel of how Monaco America operates and get to know some of our members. Please feel free to check out our website: **www.monacoamerica.com**. The website also gives you the contact information for our officers. Please do not hesitate to contact any of the officers with any questions or concerns you may have.

The reverse side of this letter has the "**Application for Membership.**" Please do complete it and send it in at once. We would love to have you as member of Monaco America. You do not need to be a member of Monaco America to attend our rallies, so come and check us out! We are sure you will join our club.

Enjoy your travels. Here's hoping we're able to meet you at an upcoming Monaco America Rally,

The officers and members of Monaco America
