

MONACO AMERICA FALL 2023 RALLY
Butterfield RV Resort & Observatory
251 S. Ocotillo Avenue
Benson, Arizona 85602

Located in beautiful southern Arizona, award winning Butterfield RV Resort & Observatory is specifically designed for those that appreciate an in-town location with out-of-town beauty, friendship, cleanliness, and a wide range of things to see and do. Benson is in the heart of historic southern Arizona, well known for its incredibly good weather. This is the ideal “home port” from which to sample and experience the very best of the American West such as Tombstone, AZ, Pima Air & Space Museum, numerous caves, etc.

The Observatory at Butterfield RV Resort

Butterfield RV Resort has its very own Observatory and Telescope, the Meade LX-200 GPS 16-inch Schmidt-Cassegrain telescope, and we give free star shows for our guests! Each night, *weather permitting*, we present a stellar program for your pleasure with different programs and sites nearly every night.
