To Shawnee attendees,

I would like to thank all of the rally participants for their gracious support and their prayers for me at this time. Many of you do not even know me but that does not matter. Words alone cannot express how I feel toward all of you. Things are moving along and a lot better than when I left home. The oncologist seems to have a great plan and both of us are positive with it. Again thank you for caring. Hopefully this will allow me to join the group in Rayne. Feel free to email me any time.

Love, Cathy Ratliff

## A Note From the President

Were you in Shawnee? We sure missed you if you weren't there. Those of us who made it had a great time, and the weather cooperated for the most part. We ate well, as usual, and the entertainment was terrific. Wednesday evening we even had Elvis - talk about a wild show! We also had a welcome by the mayor of Shawnee. He spoke very proudly of his town and shared points of interest that he suggested we visit.

The Monaco America Ladies' Tea was a huge success, no surprise, and the chosen charities so appreciated our Ladies' efforts. The men's ROMEO also took up a collection for the two charities. As usual, the charities were overwhelmed by Monaco America's generosity. The time just flies too fast during our rallies; it seems we just say hello and already we're saying farewell, hope to see you in Rayne, LA next May.

Speaking of Rayne, as you should know, that's when Monaco America will hold its biennial election of officers. You need to get directly involved in the running of our fine organization. Please consider placing your name in the running for one of the positions. You can give your name to either of the two Nominating Committee members: Richard Pelletier or Bill Brewer, their contact information is:

Richard: email: [likearock@verizon.net](mailto:likearock@verizon.net) phone: 757-573-7605

Bill: email: [phillisnbill@gmail.com](mailto:phillisnbill@gmail.com) phone: 502-921-2003

You will not be sorry if you do decide to run for an office; it can be very rewarding.

At Shawnee an addendum to our By-Laws was recommended by The Board and approved by the Membership; it reads as follows:

*"As recommended by the Monaco America Board members and approved by the membership, a change was made to the election process. The President's term for the 2016 election only, will be one (1) year, then two (2) years thereafter. The rest of the Officer's will remain as a two (2) year term. Beginning in 2017, the election for President will take place at the spring rally in odd numbered years and the balance of the Officer's will be elected at the even numbered spring rallies. This change is being made to help insure continuity on the Board. After the 2017 election, a permanent update will be made to the By-Laws."*

Also, for those of you who were at Shawnee, you will recall that our October 2016 rally will be held in Goshen, IN. This will be Monaco America's 15<sup>th</sup> anniversary celebration. Initial planning for this significant milestone has already begun; we want to make this rally special for those attending and, of course, for Monaco America. If for some reason you cannot make the Spring 2016 rally in Rayne, LA next May, you most certainly want to be in Goshen next October. For the anniversary rally we expect significant participation by Monaco RV. You do not want to miss the celebration.

Your officers are obligated, by our Standing Rules, to make our rallies self sufficient; that is, the rally fees collected should cover the actual rally costs. Over time this has become more and more difficult. The line items of most concern are RV parking and catering. We will not jeopardize the quality of a Monaco America rally. A few of our rallies are slightly under our projections, but most exceed them. With this concern in mind, your Monaco America Board has made the hard decision to increase our rally fee. That being said, our basic rally fee effective with the Fall 2016 rally will be \$425. Please take the time to check other club's rally

fees and what they get for the fee charged. You will find that a Monaco America rally is good value; in fact, you will find out that we get a bigger bang for our bucks.

This being our last Newsletter before the Holiday Season, Carole and I wish all of you and your families a very thankful Thanksgiving, a Merry Christmas and a most Happy New Year.

As always, our thoughts and prayers are with those who are living with difficult health concerns.  
God Bless America and God Bless Monaco America; we hope to see you in Rayne,

Gary Granat

## A Note from the Wagon Master

Allen and Sharon Jackson

As we reflect on Monaco America's year, we find a year packed with celebration, fellowship and sharing of ideas. Many have stated that "you're only as good as your history," and that "this history is a prediction of the future." From my perspective, we have an excellent history. Monaco America is rich in its past and impressive leadership over the past years which we hope to continue in the future.

Let's take a moment and reflect on the past year and recollect the activities and events that will forge our year:

Our Spring Rally was at the Cardinal Center in Marengo Ohio. We had 72 of the 74 registered coaches in attendance plus 4 show coaches. Of the 72 coaches, there were 25 first timers (Welcome to all who joined Monaco America).

Our Fall Rally was at the Heart of Oklahoma Expo Center in Shawnee OK. We had 46 coaches in attendance., We had 9 first timers in attendance (Welcome to those who decided to join Monaco America). At the rally, I promised to share the survey results, but I am having problems with an Excel macro. I may manually do the work of the macro.

Because of health issues, Sid Lenoir resigned as Wagon Master. Thus, I along with all of Monaco America would like to extend a big heartfelt THANK YOU to Sid and Carol for all their hard work. They will be a hard act to follow.

Presently things are at a lull as rally planning goes. At present the format for our upcoming Spring Rally in Rayne, is being formulated. All that I'm sure of is, that Fun Filled events are being planned for those in attendance. We are planning on having Monaco Corp. present at our rally, but in what capacity I don't know at this time. Whatever their involvement, I'm sure it will be appreciated by all. **If you have any suggestions for seminars/classes/vendors or if you would like to volunteer to help please contact me.**

Have you submitted your registration yet?

It takes many members to make our chapter work and continue to be one of the best in FMCA. In addition, the Wagon Master must rely on everyone attending to make a rally successful. Our appreciation goes to everyone who volunteered their time to make this happen during the rally and throughout the year. To not miss naming an individual, I have elected to thank all our members who conducted/taught/chaired/helped with/volunteered for seminars, craft classes,

security & parking, information center, Ladies Tea, ROMEO luncheon, ice cream social, dog show, bar, greeters, cleanup, etc. I extend a special "THANK YOU" to Gary and Carole Granat for all their support and help.

How quickly the Christmas season is once more rolling around the bend. Sharon and I would like to wish all our friends of Monaco America, their families, and friends a Joyful and Blessed Christmas season and a Happy and Prosperous New Year. Most of all, I hope none of us will forget the Reason for the Season. Merry Christmas to All !!!

Allen and Sharon Jackson

## Ladies Tea News

As usual the ladies did a fantastic job of giving back to the community of Shawnee OK. We had Mystie Smith and McKenzie Stafford from Project Safe and David Colville from the Youth and Family Resource Center join us to take all the donated items. They also received \$1,173 in cash, (\$618 to the Youth Center and \$555 to Project Safe) to be used at their discretion for needed items.

Our next Tea will be in Rayne LA in May 2016. A vote to sponsor two charities was decided. We will make a \$75.00 donation for a brick, with Monaco America Ladies Tea name on it , to be placed in a walk for a Veterans Memorial that Rayne is building. Also to help the Daily Manor which is a food pantry and store for the needy of the community. They can use anything for a household and also clothing that can be new or gently used.

## CRAFTS :

Wow did we have fun. Peggy Morris taught us how to make a Kumihimo bracelet, which is a fancy way of saying Japanese braiding and I taught a class on wine bottle decorating and of course we had to drink the wine first (just kidding).

In Rayne Carol Lenoir will be showing us how to do something, she hadn't made up her mind at the rally. Suellen Hodge will have help with knitting or crocheting or maybe a small project we can accomplish in one sitting. I'm thinking of doing a card stitching project or maybe someone has an idea for something like a show and tell, let me know if you would be willing to do this.

See you in Rayne, LA!

Carole Granat

## Monaco America Website

\*\*\*\*\*  
Keep up to date on all the Monaco America action with our club website [www.MonacoAmerica.com](http://www.MonacoAmerica.com). Use your laptop or your smart phone to get the latest info. Don't forget your username is "monaco" and your password is "america". Omit the quotes and type in all lowercase letters. You have the complete club roster with you all the time - handy for phone numbers and mailing addresses. A new addition to the website is our Memorial page. All our members who have departed on their final trip are remembered on the Memorial page. Additionally, wherever you see an asterisk (\*) by a member's name, it indicates they have passed and are remembered, not forgotten. The Memorial page is listed on the Membership page, and there is a quick link to it on the Home page. Our Membership Roster now shows the year you joined Monaco America. Charter Members and Lifetime Members are annotated on the Membership Roster as well. Check out the General Interest page. You will find information on the FMCA Assist Program, maintenance tips and other good info. It also includes viewgraphs from past seminar presentations. If you present a seminar, don't forget to send your viewgraphs to the Webmaster for the website. No need to waste paper printing your slides when everyone can get a copy for free on our club website!
