Poncho's Pond is Ludington's original full hookup RV park. Situated on 37 grassy acres, the park houses 268 campsites, 260 of which are full hookup, including city water, sewer, 30 and 50 amp electric, and television service. The eight tent sites are water and 20 amp electric only. All sites include a picnic table and the camping-essential fire pit.

Located in the center of the park is a beautiful 3-acre pond, stocked with Blue Gill, Bass, Perch, and Channel Catfish. Don't worry about bringing bait – out fish are hungry for anything! If you want to enjoy the pond, but fishing isn't your thing, paddle boats are available for renting by the half hour or hour.

For the entire camping season, our indoor pool and hot tub are available, regardless of the weather conditions! When the weather cooperates, we have two outdoor pools and an outdoor hot tub. One of the outdoor pools is for family use, while the other is for adults aged 18 years and older!

Check out these local attractions in and around the Ludington area: [Amber Elk Ranch](#), [Big Stable Point Lighthouse](#), [Country Dairy](#), [Fox Barn Market & Winery](#), [Harbor Tours](#), [Historic White Pine Village](#), [The Jam Farm](#), [Ludington State Park](#), [North Breakwater Lighthouse](#), and the [Port of Ludington Maritime Museum](#).

Poncho's Pond is a pleasant campground with all the amenities you could want! See you there!
