

Sundermeier is located in St Charles, Missouri, 20 miles west of St. Louis, which features the Gateway Arch, numerous museums, St. Louis Zoo, Grant's Farm, concerts and Broadway performances at the Fabulous Fox Theater and the Muny Opera in Forest Park. It also is home to outdoor cafes, shopping, wonderful festivals throughout the year, our famous St. Louis Cardinals, and much more.

There is always something of interest for the entire family in the Sundermeier area. A lovely city park with playground and basketball court is across the street from Sundermeier. Also adjacent is the Katy Trail State Park for wonderful hiking and biking opportunities. Less than a mile away is a beautiful city park with three swimming pools, tennis courts, baseball diamonds, playground and picnic shelters.
