

What My Love is Like

By: Jane Musema

My love for my mom is like a river
It calmly flows forever and ever

My love for my dad is like a mountain
It reaches all the way into the skies
and into the clouds

My love for my brother is like a tree
It grows deeply into the ground and
stretches up high

My love for my best friend is like the sun
It shines and radiates brightly

My love for my dog is like an eagle
It soars powerfully and mighty above
the world

My love for my neighbors is like a
flower
It grows and sprouts into a beautiful
wonder

My love for my grandparents is like
the clouds
It drifts and moves forever throughout
the skies

My love for my cousins is like the
stars

It lights up the sky and gleams from
far far away

My love for my friends is like the
beach
It stretches for miles and miles as far
as it can reach

My love for myself is like a butterfly
It flies and floats beautifully
throughout the wind

My love for the world is like a
rainbow
It dazzles and sparkles colorfully after
a rainy day

My love for you is like nature
I see and meet new wonders every day
and develop a new love for them
forever

Now tell me... What is your love like?
