Advance Youth Outreach has strategically partnered with Cape Fear Community College (CFCC) providing a program assisting 12 participants whom are 18+ years of age with workforce development and industry training. This program allows the participants to learn skills in areas of: carpentry, electrical, weatherization, and solar installation. The program runs annually where 12 participants are selected from the community to enroll in the program. The desired outcome of the program is for each participant to be prepared both educationally and professionally for the workforce.

Please join AYO in training and educating our youth toward making a better and more sustainable future!
