Dear Supporters and Friends,

The Princess Margaret Cancer Foundation is pleased to have Jennifer Cicci's **Journey to Conquer HNC** to our 2026 Community Events lineup. Jennifer Cicci, a Dental Healthcare professional, and an 11-year survivor of HPV Tonsil Cancer will be journeying across Canada, stopping in small towns, visiting schools and universities raising both funds and awareness for Head and Neck Cancer at Princess Margaret Cancer Centre. Jennifer's Journey to Conquer HNC began on June 3, 2025, and will be continuing in 2026.

The Princess Margaret Cancer Foundation is Canada's largest and leading cancer charity. We are dedicated to raising funds for Princess Margaret Cancer Centre, one of the world's leading cancer research and treatment centres, known for its breakthrough discoveries that transform patient outcomes. Through philanthropy, fundraising events, and our world-leading lottery program, we are changing how the world understands, prevents, diagnoses, and treats cancer, benefitting patients at The Princess Margaret, throughout Canada, and around the world.

We hope that you can support Jennifer's **Journey to Conquer HNC**, with cash or in-kind donation. Your donation will help to offset the cost and maximize the impact of this awareness and fundraising initiative.

If you have any question, please contact me by email [keith.clarke@thepmcf.ca](mailto:keith.clarke@thepmcf.ca) or by phone at 647.200.5527

On behalf of the volunteers, staff, patients and their families, we thank you again for helping to **Carry The Fire** for cancer patients everywhere in our mission to create a world free from the fear of cancer.

Sincerely,
