

Hospice House

17th Annual Crawfish Cook-off

April 23, 2022

Cash prize \$600 first place, \$300 second place, \$200 third place

CRAWFISH COOK-OFF RULES

1. No team vehicles will be permitted into the park Saturday morning, day of Cook-off. Anything needed for your booth will have to be brought in from the designated team parking area. We highly recommend hand trucks or wagons.
2. Set up is Friday, April 22 from 8am until 10pm. Each team must supply its own table(s), chairs, garbage cans and bags, tent/covering and decorations for its area. These items will not be provided by the Hospice House. Each team area will be at least 20 feet wide by 15 feet deep. Security will be provided overnight starting at 10pm.
3. Each team will be given ONE access pass for parking in the designated team parking area for Saturday and 4 wristbands to enter the park on day of the Cook-off. Up to six additional wristbands may be purchased for \$30 each.
4. For safety reasons, no more than 10 people may be in a team space at any one time.
5. Raising money by ANY means for the Hospice House or for other causes or purposes at this event is not permitted without coordination and written approval from the Executive Director and/or Committee Chair.
6. There will be a prize for best decorated booth.
7. Only "backyard" teams may register to participate at the \$250 level. If any company name is incorporated in the backyard team name, displayed at the booth, or business materials are at the booth, your team will be considered a corporate sponsor at the \$1,000 level. If you have signed up at the backyard level for \$250 and any business is represented, payment will be expected at the time via credit card in the amount of \$750 plus applicable fees.
8. All teams must provide their own spices, equipment (burners, pots, propane, etc.) and hoses, plus any other items they feel necessary to boil their crawfish. **Platforms for level boiling surfaces are highly recommend, but MUST be removed immediately following the end of the event.** This includes but is not limited to pallets, concrete blocks, and wooden platforms.
9. No porta potties are allowed in team areas. Any team desiring to have a private porta potty brought to the event must notify the Hospice House in advance and coordinate for its appropriate placement.
10. Each team spot **MUST** have a cooking setup actively cooking and distributing crawfish for the entirety of the event. A single setup may not provide crawfish to more than one team spot. Party tents/spots are not permitted and cannot be purchased.
11. Each team will select from a tier below and boil the number of sacks of crawfish indicated on its registration form attached, unless crowd demand does not warrant it. Please space your boils in a way that assures a constant supply of boiled product for the entire day, without waste. Commercial/Volume Boilers may be utilized to assure a constant and steady supply of crawfish to meet crowd demand if team volumes are anticipated to be insufficient.
 - a. Tier 1 10-20 sacks max
 - b. Tier 2 21-40 sacks max
 - c. Tier 3 60 sacks each, distributed depending upon crowd demand.
12. First batch of crawfish must be ready by 11:00 am as the gates open. Crawfish distribution will begin at 8:00 am. Crawfish must be ready for patrons, not just judging.
13. The crawfish judging by the officials will begin at 1:00 pm. Your "judging batch" must be delivered to the judging tent by 12:45 pm or your crawfish will not be judged. Special containers will be provided ahead of time. Each team is asked to provide a team member to participate in the judging process.
14. Teams may bring their own ice chests and beverages into the park for their OWN consumption only. No outside beverages will be allowed into the park once the festival has opened. **NO ONE IS TO GIVE AWAY OR SELL ALCOHOL!** No glass containers per city regulations. No containers to distribute crawfish to patrons are permitted, including cardboard trays, etc. The Foundation will provide all containers. Crawfish is to be distributed in provided containers **ONLY**.

15. Each team is responsible to clean up their area AFTER the Cook-off is over. No items can be left at the park following the event. Teams MAY NOT begin pickup until the event is over. Teams MUST be prepared to stay at the park until your designated spot is completely clean. Vehicles will not be permitted into the park until authorized by the Slidell Police Department, for pedestrian safety reasons. A traffic contraflow pattern will be enforced for Friday and Saturday following the event; to assist in setting up and breaking down team spots. This means roads will be one way. Please only park unloading/loading vehicles in front of the team spots and move them when unloading/loading is complete. This will allow for open traffic flow on all rows.
16. Any remaining sacks of crawfish in team spots at 4:30 must be returned, unless other arrangements are made with Hospice House officials. Remaining boiled crawfish after 6:00 may not be given to patrons. Crawfish is to be consumed on premises only.
17. Generators are not permitted. Power is not available in the park where teams are located. Please plan accordingly.
18. Team captains are responsible for their team members and all other persons within their team spot throughout the day of the event. ALL team members must sign a hold harmless with the Hospice House before participating in the event.
19. A team is not considered registered until both a completed liability waiver/team registration form (for all members) **AND** payment is received. This also determines the order in which team spots are chosen.
20. TEAM MEETINGS ARE MANDATORY. Each team must have their captain or a representative present, limited to 2 persons per team. The first meeting will be Tuesday, April 12, 2022, at 7pm at a location to be determined. The second meeting will be at 9:00 am the morning of the Cook-off, April 23, 2022, in the gym parking lot. Team spot selection will occur at the first meeting on the 12th after which, returning teams may leave. Representatives of new teams are required to stay for a run-through of rules and answering any questions.

Please remember this event is the main fundraiser to support the Hospice House. Please help us keep costs down through avoiding waste and unnecessary additional expenses. Help us keep the competition friendly and in the spirit in which it is intended.
