

Good morning Monarchs! Hope this message finds you and your loved ones well and healthy. I commend our educational leadership for taking preventative measures to limit the spread of COVID-19. We will need to make adjustments in our spring schedule. You will find that information below. During this time I pray for all our student athletes health and well-being. Take this time to recover, refresh, and reconnect. Our facilities are closed during this break so we will see you all Monday April 6th 630am in the main gym.

- Football class- No football class will take place until Monday April 6th
- Workouts- players are encouraged to continue their training at home or at a gym. Coach Lucero will continue to update workouts in TeamBuildr and his gym is offering \$50+tax membership for the next four weeks. If any gym membership is not in your means, please modify the workout at home with push ups, squats, runs in the neighborhood, pull ups, planks etc. Players can also reach out to me if they have questions or need ideas. Don't lose what you have built! Please make choices in your families best interest.
- Jerky Fundraiser- the order will be completed this Monday March 16th. Due to the school closure they won't be able to deliver to the school until April 6th. If a booster parent is willing to pick up and set up a player pick up date I am ok with that. Please contact myself or our Booster Club Board.
- Booster Meeting- Our March meeting is cancelled. The next Booster Meeting will be Tuesday April 7th 6pm in the MHS Main Gym Coaches Office upstairs.
- Obligation Payments- We have adjusted the due dates for our 2020 player obligation. If paid in full by May 19th \$400, June 30th \$450, and July 31st \$500.

If you have any other questions or concerns please contact me. Our ability to overcome adversity will determine the outcome of most of our games. If we can teach, help, and support our kids in this ability it will only benefit their life as they grow, mature, and leave our doors to be on their own. Life is full of adversity and we need to prepare our kids for it. Life is bigger than football and football is more than just a game. Let's build these kids up together. They are amazing young people who work hard and grow everyday. I'm honored to coach them all.

God Bless,

Coach Martinez
