To all Diocesan Vocations Directors

May 2025

Peace and joy in Jesus! You should know that since 2001 we have always notified the diocesan vocation directors when a man in their diocese requested information from us be it religious life or the priesthood. Approximately 665 men whom we have served have reported applying/entering the diocesan priesthood. We would like to make greater efforts to identify every Catholic single willing to discern in your diocese and archdiocese.

Research has shown the need for both a discernment tool to identify ALL those willing to discern and an organization that was capable of processing unlimited interested people, which is us, Vocations Placement. Please see the form below. We are recommending that this form be shared as much as possible in parish churches, schools, youth groups, church bulletins, websites, and young adult groups, anywhere and everywhere so that Vocations Placement may identify all people willing to discern. Please see the form on the following page. Whoever distributes hard copies of the form should have them returned to them for additional follow up and to share with Vocations Placement if desired. Discerners can reach out to us on their own as described in the form.

Please let us know if you are willing to share this form in any way possible. Simply print the form and share as you can.

Love to serve! Natalie, Brad, Diane, and staff

*Vocations Placement is a non-profit organization supported primarily by free will offerings from vocations directors. There is no cost required for our service to vocations directors or discerners. Vocations Placement does vocation “awareness” and does not promote one vocation over another. We are primarily information and encouragement. We do not give spiritual direction or advice. We highly recommend that discerners work with and visit with vocations directors directly. We follow up with discerners providing further requested information until they are done discerning. Discerners can opt out at any time and no longer hear from Vocations Placement.
