

WELCOME

Welcome to the Mystics and Marvels festival. 2022 holds a ton of fun for you! We offer you the best of street merchants, along with side show fun and an enchanted walking path. Meet Professor Marvel on the outskirts of town. “Mad” Maxine Thunderbolt will be offering photo opportunities with Bomb Away Peebles along with you and yours. If you decide to go out after dark, watch your neck, because LEXI Listeria; she gets hungry! You can take in a game of checkers at the bank with the Hightower's, or have lunch at the General store. Enjoy a cold bottle of Root Beer at the Saloon. Maybe you will see an enchanted creature cross your path. Have a great time folks!
