

Guided Messages from the Other Side with Claudette Godin & Book Signing with Mike Ellis

Mike Ellis

I've worked for over forty years in the stock brokerage business. I had some interest in parapsychology in my younger years but day to day life takes over. It wasn't until my wife went through the difficult loss of her daughter many years later and was referred to Claudette by a medical professional that I decided I might also benefit from this as well. Thus began my eleven year journey culminating in my book *Guided Messages from the Other Side – a Spiritual Journey*. My transformation took place with the help of my loved ones from the other side – Guides and Teachers and some unexpected surprises. I thank my Higher Guidance for inspiring me to write this book with the hope that it may be of help to others.

I look forward to meeting you at my book signing at Energy Wisdom & Tea Lounge Saturday, Sept. 7, 2019.

Claudette Godin

Spiritualist Medium since mid 80's with the Spiritualist community; an accredited clairvoyant, healer & lecturer with the Spiritualist Church of Canada (SCC). Had membership with a long list of healing and spiritualist organisation in Canada, England and USA throughout this wonderful journey. I had the privilege of being part of a couple of documentaries on the afterlife and working as a medium and teacher nationally and internationally. I was a regular worker as a workshop

facilitator, medium & healer at the Lily Dale Spiritualist Assembly New York for a 10 year period then I moved to BC. Opened a holistic centre, Wings of Dove, in Steveston Village that was in operation nearly 6 years. Though I'm semi-retired (LOL), I'm

very active in the Spiritualist community here and abroad... I am the Canadian representative for the International Spiritualist Federation in England, www.theisf.com, I had the pleasure of serving the ISF as a medium and workshop facilitator, while taking educational courses to continue my mediumistic development in subjects that are not available for me in Canada. I love my work with Spirit in all the varied aspects of mediumship whether it is various modalities of healing, spiritual counselling/readings or facilitating workshops and retreats.

Lastly, I have been featured in Mike Ellis' book, *Guided Messages from the Other Side*, and it gives me great pleasure to support Mike & his book by doing a demo of spirit messages at Energy Wisdom & Tea Lounge Saturday, Sept. 7, 2019.
