## ALABAMA ASSOCIATION OF PLUMBING, GAS & MECHANICAL INSPECTORS

### A Message from the President,

I cannot tell you how much I have enjoyed serving as President of AAPGMI this past year. The dedication and hard work of our officers and board has been essential to preparing for another great conference.

We have also made great strides in how our organization operates and promotes itself through electronic communication and social media. We will continue to work to upgrade our platforms and communication along with continuing to bring great educational opportunities.

Please join us at the conference and take advantage of these educational opportunities and consider volunteering to help us in our endeavors.

Now let's have a great time and learn a lot.

**Tim McDow, President AAPGMI**
