A MESSAGE FROM THE PRESIDENT

This organization has some of the hard-
est working, most dedicated members
you could find anywhere. This year they
have shown that even more than usual.

We took the requests of the membership
and made major changes to our confer-
ence venue and timing to better accom-
modate the industry professionals who
make up our association while maintain-
ing a top tier educational program.

We have some great topics and even bet-
ter presenters for this year's program, as
well as networking opportunities that
allow you to tap into the years of experi-
ence and knowledge our members pos-
sess.

Thank you for allowing me to hold this
position, and my sincere and deepest ap-
preciation to the members of the Board
and Conference Committees whose hard
work makes this all possible. Welcome to
the Beach!!
