

204 Brunswick Ave.,  
Spanish Town P.O.,  
St. Catherine.

Dear Mr. Kevin Jellow,

My name is Damonique Foster and I am a student at the Jose Marti Technical High School and currently in upper six. I would like to extend my sincerest gratitude to you and all the members of the Jose Marti Alumni Association New York chapter. Though I only became a member of the mentorship program this year, the circumstances under which I became a member were dire and dawned upon me the significance of this prestigious association. I had always heard of the work that JMAANY had been doing but it wasn't until recently that this organization truly and undeniably saved me and gave me a chance to further my education. Thank you and continue to do a marvelous job.

Yours Truly,  
Damonique Foster.
