Dear Mr. Jellow,

The Jose Marti Technical High School Family wishes to thank your team for your selfless contribution towards the payment of Examinations fees for our needy students for the academic year 2021-2022.

Your invaluable donation of Three Thousand, Four Hundred and Five United States dollars (US\$3,405.00) for Examination Fees and your assistance with the Sports Department expenses will greatly enhance the overall development of our students amidst the ongoing pandemic.

Thank you again for your support and we look forward to your continued partnership in ensuring that our students are educationally grounded and empowered to become the total man.

Trabajando y estudiando para ser el hombre total.

Yours sincerely,

Michele Bogle (Ms.)
