#### THESE ARE THE THINGS YOU BUY (UNLESS NOTED)

1. Kilt: Colquhoun modern tartan, wool, heavy weight (1(16), should come to the middle of the knee, no longer. They are made to order and take 4-6 weeks. You give the maker certain measurements. Expensive, range \$500+ - shop around. Paul or Alma has Kenny and Annie's, ask them what they plan to do with them. Seamus and Dave C. have theirs already.
2. Kilt pin of your choice
3. leather belt, buckle of your choice (some of us have clan our clan badges/motto/crest buckles but many designs)

Sporran: day use must be black 3 tassels, may have silver ornaments. They come with their own belt

4. Cap.Bonnet.Glengarry

clan cap badge (goes on side of bonnet. The band provides the Grant tartan swatch that goes under it)

FEET AND LEGS

Band provides:

5. Navy hose (socks), white hose (for formal wear)

6. Red flashes

YOU PROVIDE (I think)

7. Ghillie laces

and

tassels. You can wear any black shoes and lace them. I have gotten black boot laces locally also. And now I use black elastic laces.

Or you can buy Ghillie Brogues, best to get them fitted. There are suggestions to making them the most comfortable.

8. Optional sgian dubh is worn in the right side of the right sock

9. Black uniform type sweater (ours are acrylic) with the tabs on the top to put your "private" stripes (the band uses red grosgrain tabs and provide those). We wear these a lot and it nice to have the uniform sweaters

10. OPTIONAL: Piper's Rain Coat
