The Spirit Rock is available to the NAWL Community to reserve each day throughout the school year. You are responsible for providing all materials needed to paint the rock (paint, brushes, etc). You may begin painting the rock at 5:00 pm the day prior to the day that you have reserved the rock. The rock will remain painted until the next person has reserved the rock to paint it. Please refrain from painting the rock with any profanity, controversial or inappropriate images/topics/words.

Painting Tips

Wear old clothes!

Wall paint or spray paint will stick to the rock best. It may take 2-4 cans of spray paint to make a base coat.

Spray paint may be harder to avoid the grass, but may dry faster than latex paint.

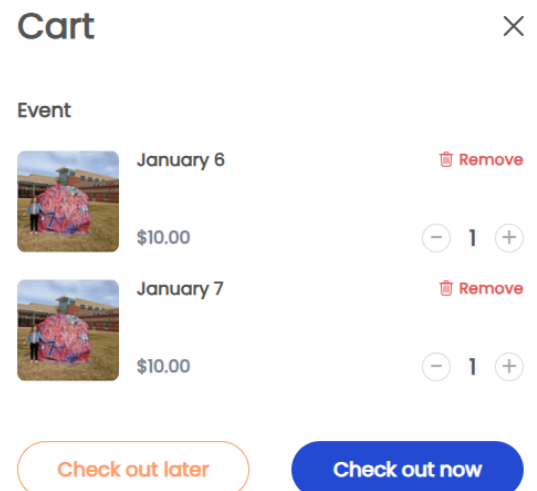

You are responsible for supplying and applying all necessary paint.

What you don't use this year can be stored for use next year.

Don't forget to respect our school grounds and the environment!
