

Paws and

Winter

Happy Tails....

Throughout each and every year...we are called upon to rescue many Furbabies. We do our utmost for each one crossing our path.......

A walk down memory lane.....

Happy Tails

Buddy aka Ripley was found an emaciated stray almost unrecognizable as a German Shepherd; adopted and is dearly loved and flourishing.....

Sir Arthur was found mangled and almost sliced in half by a car engine. It took a long time to find his forever home, but now he's King of the house!

Samson was rescued from living alone in a pen, skinny, limping and anxious....now a treasured companion.

Mac scooped up from the middle of Hwy 80, cold, wet and scared....adopted and adored!

Phoenix when rescued was no more than a skeleton covered in fur at 4

weeks old, too weak to even hold her head up to eat.....but thanks to a dedicated foster whenever gave up, Phoenix flourished and now lives as a pampered feline in Virginia...

This stunning green-eyed girl was born on the gas tank of a

bus! Rescued shortly after birth, her survival was touch and go, but her foster worked around the clock to give her the needed chance.....and now look at Miss Rosa Parks......in her forever home and ready for the holidays!

Oscar's early life was lived on a short cable tethered on a porch. Cable was too short to allow him to reach the grass. No shelter, shade, protection or human interaction. Now.....Oscar has siblings, loving humans, treats and life is as it should be for dogs!

From Lair Street in Somerset to a safe luxurious life in Washington, D.C, here is Miss Luna with her first Christmas tree and window on the world!

The Humane Society is continually grateful for all of our supporters, the partner/rescues, volunteers and businesses who aid in the mission to which the Humane Society is committed.

The Santa Paws Photos/Bake sale event onsite at Wal Mart was a great success.....

Transport Filled.

As of December 31st, Pulaski County Humane Society has participated in the rescue/transport of 1850 animals, most traveled to HS rescue partners in order

to have a greater chance of adoption.

176 dogs and cats have been adopted through the local adoptions

program.

Holly Jolly Christmas Extravaganza gave PCHS the opportunity to educate about our programs and offer our shirts,

for sale.

candles, calendars and cook books

894 cats and dogs have been altered through our low cost spay/neuter clinics.

Many thanks to the Girls Scouts and Marisa Dungan for the wonderful donated supplies from the Dog Pageant. We are so grateful to these young women and Marisa for

helping us help animals!!!! Vehicles were stuffed to the top with supplies!

108 cats have been altered and returned to field or farm under the Trap Neuter Return program.

Active Day of Somerset attendees enjoyed a day with Connie and Rudy recently learning more about the Humane Society and kindly providing needed supplies for PCHS!

Many thanks to the Somerset Junior Women's Club for their annual Creepy Cake Contest sponsorship, the proceeds of which benefit the Humane Society programs....

Kate Powell celebrated her birthday by visiting Santa and Bandit and generously donating numerous bags of pet food for HS foster animals.

Big Mama, a very senior deaf Lab, serves as a comfort to every group of puppies that spend time in her home. She's loved and cuddles dozens of babies over the years. Here she is with the newest group!

HS foster animals live in private homes to be socialized and know the love of a safe home. Here's Miss Camille, known as Cami with her favorite canine in her foster home. Cami lost a front leg after being hit by a car. Cami and Dani are

almost inseparable. She adores Dani!

Be sure your pet is wearing current tags, all day, every day. Make certain your phone number is current.

One of three animals goes missing every day.

On occasion, foster critters miss adoption day. This was the case recently for Puppers, a young Pointer mix. As it was Saturday he was enjoying his free range running far too much to bother loading up in the van. Then.... he found a

skunk carcass on which to wallow, which was 'icing on the cake' for any trip to town. At day's end, after his adventures, he was pooped and spent the evening as seen here!

Cook Books are still available.....

247 recipes were contributed by our members and supporters. Books are \$12 each and help fund humane society programs.

Books may be purchased at the building during adoption days on 1st and 3rd Saturdays of the month. Or purchase online through PayPal at www.bhumane.org, on

donate/partner page. Add 3.00 for shipping.

The HS can **recycling** program is ongoing and dollars generated offset vet costs for our foster animals. Cans may be brought to the building any time, there is a barrel for them just inside the gate at 179 Chris Way, Somerset. If you have large quantities we will arrange pickup. *Help the animals and the environment*.

The RUBY TUESDAY Giveaway raffle brought great holiday cheer to the Humane Society with a car LOAD of donated items and \$\$\$. Thank you to everyone who donated to this fun event; the items are greatly appreciated!

The winner of the RT raffle basket of goodies was Carol Hensley.
Congratulations!

Watch the website <u>www.bhumane.org</u> and FB posts for pictures and information about our adoptable animals, offsite adoption and other upcoming events.

Be sure to visit the new Facebook page Southern Kentucky Adoptable Dogs and Cats.

Two minutes of your time can change a life!

Did you know that monthly giving is an incredibly efficient way to support the Humane Society here in Pulaski County?

Animal Angels are a group of dedicated friends who make monthly gifts that provide a consistent, sustaining, reliable income, concentrating more resources to lifesaving programs. Supporters like it because it's easy to budget and it feels great to be making a difference for animals *EVERY* month of the year.

Every gift saves lives. Please make a onetime gift if you are not able to make a monthly commitment.

See PayPal on our site; www.bhumane.org on the donate page.

Or send to: Pulaski County Humane Society P O Box 448, Somerset, KY 42502

Winter tips for pets.....

- Try to keep dogs and cats indoors during the winter, especially when it's really cold.
- Make sure all of your pets wear collars with current contact information on ID tags; if your pet is lost, proper identification will help return your pet faster.
- If you walk your dog on sidewalks that have been treated with de-icer, make sure to wash the dog's paws when you get home; these chemicals can irritate the skin.
- Most outdoor pets need to be brought inside when the
 weather turns really cold. The ones that can stay outdoors
 should be given shelter that's warm and dry, with straw not
 blankets which can stay wet and cold. Outdoor critters need
 additional food for extra energy often 2x as much as
 normal.
- Make sure all animals have access to clean, fresh water that's not frozen. Brush their coats frequently to prevent moisture from collecting.
- Before starting your vehicle, <u>bang loudly</u> on the hood and fenders; cats often hide under vehicles for warmth.
