INTRODUCING THE 2024 NATIONAL RED RIBBON THEME: LIFE IS A MOVE, FILM DRUG FREE.™

The National Family Partnership (NFP) has unveiled the theme for the 2024 Red Ribbon Week: “Life is A Movie, Film Drug Free.™” This creative theme, submitted by Cheryl Holsapfel, Digital Art Teacher, and Devansh Aggarwal from Solon Middle School, emphasizes the collective impact of embracing a drug-free lifestyle. The annual Red Ribbon Week Theme Contest, sponsored by NFP, encourages participants nationwide to craft slogans reflecting the campaign’s mission. The winning theme inspires individuals to contribute to safe, healthy, and drug-free communities through dedication and commitment.

Cheryl Holsapfel, Digital Art Teacher at Solon Middle School, expressed enthusiasm for integrating the Red Ribbon project into her curriculum, providing students with real-world application and engagement. The Red Ribbon Campaign, initiated in 1985 by NFP, symbolizes a commitment to raising awareness about the devastating impact of drugs in America.

Peggy B. Sapp, President of NFP, highlighted the importance of community engagement through initiatives like the theme contest. The theme contest is open annually, Theme submissions for the Red Ribbon Week Contest are open annually from January 1st to December 4th. Winners of the contest receive \$500 worth of Red Ribbon Week themed merchandise, generously provided by Nimco, Inc. As the sole supplier of Red Ribbon Merchandise Theme materials, Nimco, Inc. supports ongoing drug education efforts in schools nationwide.

Red Ribbon Week is observed annually from October 23rd to 31st. To learn more about the contest and the campaign, visit www.RedRibbon.org.

Choices = Consequences

I AM DRUG-FREE™

Dear Educators:

Preventing alcohol, tobacco, vaping and drug abuse is a big job. It is one that must be embraced by parents, teachers, students, and the entire community. Your school has the opportunity to educate students and teachers about the dangers and consequences of alcohol, tobacco, vaping and drug use during this year's Red Ribbon Week, October 23-31st. It is an ideal way for people and communities to unite and take a visible stand against substance abuse.

The Red Ribbon Campaign was started when drug traffickers in Mexico City murdered DEA agent Kiki Camarena in 1985. This began the continuing tradition of displaying Red Ribbons as a symbol of intolerance towards the use of drugs. The mission of the Red Ribbon Campaign is to present a unified commitment towards the creation of a DRUG-FREE AMERICA.

The Jim Thorpe Association/Oklahoma Sports Hall of Fame has composed this guidebook with the assistance of the National Family Partnership to offer educators an outline of suggested Red Ribbon activities and current information, trends, and attitudes regarding youth alcohol, tobacco, vaping and drug abuse. Your school may order and display Red Ribbon materials with the national Red Ribbon theme from the National Family Partnership website www.NFP.org.

We have listed suggested activities that your school and community can use to involve students in the Red Ribbon Drug Free Youth Celebration. If you have any questions regarding Red Ribbon Week activities or Jim Thorpe Association/Oklahoma Sports Hall of Fame's Bright Path Youth Program, please contact us at 405-427-1400 or www.oksportshof.org.

Sincerely,

Red Ribbon Week Essay
By Samuel Vaughn
Oakridge Elementary School

How should we spend life? Some may ask, some may say, get good grades, and work hard, however they don't always mention things you should stay away from. For we should stay drug free and only drug free, for if we didn't, we would just be wasting our lives and potential away. For it is only smart to be and only be drug free.

For we should stay away from drugs, for they won't help you. For you shouldn't even introduce it to your body, it could hurt you and possibly your future kids! **DO YOU REALLY WANT TO HURT YOUR KIDS, THE NEXT GENERATION?** For you should instead spend your life on better things, and not wasting it away! For we should all stay drug free.

For we all have much potential, we could all be doctors, we could all be lawyers, but if we do drugs, we will only be wasting our future. For if you have friends that do drugs, do not even go near them! It will only get you stranded in life with absolutely nothing! For if we do drugs we will be hooked, trapped, addicted, and you won't get anywhere.

For you might wonder what happens if you do drugs well then you will be addicted to the drug that you are taking. Then you will get insane in crazy. Then you will DIE, yes you will DIE! So unless you want to die, for it is only smart to always stay drug free.

Be Kind To Your Mind, Live Drug Free

No one wants to destroy their lives. No one wants to lose their family, friends, job, house, car, etc. No one thinks it will hurt to just "try it once". No one could ever foresee the destruction and havoc brought down upon their lives by just one small pill. Drug addiction is a real disease, and it is lethal! Over 96,700 people die from drug overdoses every year.

People don't just overdose after the first few uses. The road to overdose is a long and heart wrenching road. People turn to drugs from peer pressure, self-medication, grievance after loss, depression, or sometimes even just from boredom. Drug users aren't monsters. They're people with emotions, and sometimes they just don't know how to cope with them. Drugs suck people in. The first few uses will give the user an immeasurable high, making them feel more confident, happier, energetic, and full of life. While these wonderful effects might take the pain away, they never last for long. Soon drugs will be all they can think about. Drug users will go to whatever lengths needed to acquire more drugs: stealing from loved ones, partaking in illegal acts, and even selling their bodies. People with drug addictions will continue to compulsively use drugs despite the negative effects. The strain on their mental health and toll on their bodies will be much worse than whatever pain they had before first using drugs. So please, be kind to your mind. Live drug free.

LETS GET STARTED

RED RIBBON CHECKLIST

First: Schedule the campaign: Set up a schedule for the morning announcement messages and Parent messages. Decide what day the Photo Contest flyer will be sent home with the students.

Morning Announcements: Read the Morning Announcement Script in this guide. Schedule the announcements to begin on October 23rd. Repeat the message 5 times before October 31st. The last morning announcement should be on October 31st. Our announcement script can be edited to meet the specifics of your school.

Parent Phone Message: Read the Script in the tool kit. Schedule the recorded parent message the week before October 23rd and then again on October 23rd. THE RED RIBBON CAMPAIGN® IS THE LARGEST UNIVERSAL PREVENTION CAMPAIGN IN THE NATION

Each year, National Family Partnership invites top schools across the nation to embody the Red Ribbon Campaign and become a Red Ribbon Certified School (RRCS). RRCS is an environmental change process that aligns Teachers, Parents, Students, and Administrators into a team to create an effective and healthy school climate through parental engagement and community building.

The Review Process

The independent review and certification process is conducted by University of Central Florida / UCF Institute for Social and Behavioral Sciences based on the following criteria:

- Parents as Partners
- Leadership Commitment to Prevention
- Communication between Parents/Students/School Personnel
- Prevention Training for School Personnel
- Prevention Opportunities for Youth
- Broad Community Participation
- Year-Round Prevention Campaign Activities

National Family Partnership Gets Results in schools

The Red Ribbon Certified Schools program engages students, parents, and educators to reduce youth substance abuse and increase protective factors in K-12 schools. RRCS reduces the frequency of drinking and drugging for Florida's kids by 50% vs. non certified schools.

BECOME A RED RIBBON CERTIFIED SCHOOL

Red Ribbon Certification Process helps kids reach their full potential. It's a pathway for engaging parents, teachers, students, and the community by emphasizing the importance of family involvement in the education and healthy development of children.

Overall Program Goals include

- Produce safe, healthy drug free kids
- Increase parental involvement in school
- Improve academic performance
- Improve awareness and social norms around drugs and alcohol
