

Get unlimited tablet data for only \$15/mo.

Plus taxes and fees.

During congestion, heavy data users (>50GB/mo. for most plans) and customers choosing lower-prioritized plans may notice lower speeds than other customers; see plan for details. Video typically streams on smartphone/tablet SD quality.

In the office, working from home, or on the move—connect and collaborate with ease.

With the power of our network and tablets, your workforce has the speed to connect and the tools to collaborate where work happens.

Get Unlimited tablet data for only \$15/month. With Unlimited data and 10GB of mobile hotspot, you won't need to connect to an unsecured Wi-Fi network, and you can share your connection with other devices and users.

Keep your team productive with T-Mobile for Business.

Postpaid only. \$35 device connection charge due at sale. Credit approval & deposit may be required. Taxes and fees additional (including \$0.15/line Monthly Regulatory Programs and \$1.01/line Telco Recovery Fee). Compatible smartphone/device may be required for certain features. **Data:** High-speed data on our network up to allotment (if applicable) then max 128Kbps speeds. We notify you of approaching use thresholds via SMS; review device user manual to ensure receipt; may require third party software. See account for usage. **Roaming:** U.S. roaming and on-network data allotments differ; includes 200 MB roaming. Partial megabytes rounded up. Service may be terminated or restricted for excessive roaming. **International Roaming:** Max 128Kbps speeds in 215+ countries and destinations; see www.t-mobile.com for included destinations (subject to change at our discretion). In Canada/Mexico, high-speed data up to lower of plan allotment or 5GB, then unlimited at max 128Kbps speeds. **Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network.** Device must register on our network before international use. **Coverage** not available in some areas; we are not responsible for our partners' networks. Communications with premium-rate numbers not included. **Video streaming** at up to 1.5Mbps; may affect speed of video downloads. For best performance, leave video streaming applications at default automatic resolution setting. **Tethering:** High-speed data to allotment, then max 128Kbps speeds. Majority of data usage must be on device. Device usage prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for data management details. Not available for some devices, and may not be combinable with some offers or discounts. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See **Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
