SOCCER SPOTLIGHT ON SENIORS

Fall 2026

As the final whistle approaches, our Hershey High School Seniors will once again lace up their cleats for their final season. This season always marks a defining point of years of dedication, training, and many memories shared with teammates, many of whom have played together since early childhood.

Senior year is more than just another season...it's a final chapter. The last chance to represent the blue and orange, compete under the lights, and leave their legacy on the pitch. Whether they're team captains or silent leaders, every one of this 2027 Senior class brings experience and comraderie to the team.

We gather to honor these athletes and families and celebrate their journeys! Though their high school soccer careers are culminating, the impact these Seniors leave behind is always long-lasting.

Coaching the Legacy

Mentoring throughout the years

ANDREW MAYA HEAD COACH

Now in his 15th season with the Hershey High School soccer program, and 11th as Head Coach, Coach Maya has become a defining force in local high school athletics.

Under his leadership, the team has built a true legacy of excellence, capturing District Championships in 2018, 2021, 2022, and 2023. The crown jewel of his coaching career came in 2022, when he guided Hershey High to a monumental AAA PIAA State Championship victory. That historic season also earned him the distinction of PA AAA Coach of the Year.

His success has also been recognized throughout the Mid Penn Conference, where he was named Mid Penn Coach of the Year in 2018, 2021, 2023, 2024, and 2025.

Coach Maya's influence doesn't stop at the high school level. He also coaches the Hershey Middle School varsity soccer team, shaping young athletes from their early competitive experiences and laying the Hershey foundation for future success.

Off the pitch, Coach Maya balances athletics with his professional career. He holds a degree in computer network systems and serves as a Senior Client System Analyst at Milton Hershey School. He and his family live in Cornwall, and you can find him on the golf course when he's not immersed in soccer.

ANDY BRIGGS ASSISTANT COACH

With an impressive coaching resume, Coach Briggs is a cornerstone of the Hershey athletic community. Holding the Premier, Advanced National, and Advanced Regional Diplomas from United Soccer Coaches, Briggs brings both expertise & heart to the game.

Certified by U.S. Lacrosse and the Positive Coaching Alliance, Coach Briggs is known not just for building athletes, but for shaping character. His efforts have not gone unnoticed; in 2015, he was honored with the EPYSA Coach of the Year Award.

Briggs' leadership journey began long before his coaching days. He earned a B.A. in History and Political Science from Rutgers University, where he captained the 1985 Varsity Lacrosse team. He later earned a J.D. from Villanova Law School.

Today, Andy lives in Hershey with his wife, Maribeth. Their family is steeped in the local sports tradition; children Emily, Molly, and George, are all alumni of the Hershey Soccer Club and HHS Varsity Soccer teams. Now, with five grandchildren, the Briggs family legacy continues to grow, rooted in community and a love for the game.

COACH TANNER THERIT ASSISTANT + JV COACH

As Head Coach of the JV soccer team, Tanner Therit is no stranger to the program—or the field he now leads from the sidelines. A proud 2016 graduate of Hershey High, Tanner once wore the same jersey as his players, competing as a member of the soccer team and also wrestling for the Trojans.

Following high school, Tanner continued his athletic and academic journey at Lebanon Valley College, where he earned both his B.S. and MBA. As a key contributor to LVC's men's soccer team, he found success on and off the pitch. He not only scored pivotal goals, including memorable wins against Gettysburg and Keystone, but also excelled in the classroom, earning a place on the MAC Fall Academic Honor Roll, and he was one of just 14 LVC student-athletes to achieve a perfect 4.0 GPA during his competitive season.

Tanner brings that same blend of work ethic and integrity to his coaching philosophy. He focuses not just on building skills, but on shaping strong, character-driven individuals. His personal motto? "Focus on character, and success will come naturally."

COACH DREW PETERSEN VOLUNTEER ASSISTANT

Drew Petersen returns to the Hershey soccer program as a volunteer assistant coach, continuing his involvement with the program that helped shape his own love of the game.

A 2012 graduate of Hershey High School, Drew went on to play club soccer at both Penn State and the University of Delaware. His collegiate playing career included a run to the national championship match in 2016.

Professionally, Drew is a physical therapist with a focus on sports rehabilitation and performance. His background allows him to bring a unique perspective to the coaching staff, particularly in areas of movement, injury prevention, rehabilitation, and athlete development.

For Drew, coaching at Hershey is an opportunity to give back to a program that played an important role in his own development. He enjoys helping players grow as athletes and teammates while contributing to the competitive culture and tradition of Hershey soccer.

STACEY LATIMER TEAM MANAGER

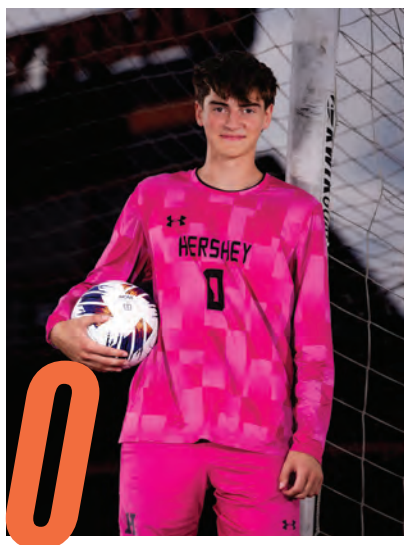

When she's not teaching fractions and decimals in sixth grade math at Hershey Middle School, Mrs. Stacey Latimer is busy making an impact on the soccer field as a dedicated team manager and behind-the-scenes star. A lifelong lover of the game, Stacey grew up playing youth soccer across central Pennsylvania.

She carried that same dedication into her academic and professional life, earning a B.A. in Elementary Education from Millersville University, followed by a Master's degree from Wilkes University. As team manager, she plays a vital role in keeping things running smoothly. But for Stacey, the most rewarding part isn't the schedules or logistics; it's watching the team thrive. "I love being able to connect with the players outside of the classroom and watch them excel in their element," she shares.

At home, Stacey and her husband, Jeremy, are travelers and college football fans. But their greatest joy comes from time spent with their two children, daughter Juliana and son Jaxson.

Long before soccer became a staple of Central PA athletics, one man had the vision to bring the world's game to small town America. Frank Ferrari, a former semi-professional player from Buenos Aires Argentina, has a passion for the sport and laid the groundwork for what would become generations of soccer excellence in Hershey and beyond.

After immigrating to the United States in the 1960's with his wife, Tita, and their children, Robert and Monica, Frank began sharing his love for the game. In 1967, he founded Hershey's first youth soccer team.

That same year, he partnered with local clubs in the area to form the Lebanon Valley Midget Soccer League, giving young athletes across the region the chance to compete and grow. In 1974, along side Dr. John Thompson, he co-founded the Lower Susquehanna Youth Soccer League, which would later evolve into the Central Pennsylvania Youth Soccer League (CPYSL).

Frank's dedication didn't stop at the youth level. In 1980, when parents at Hershey High School petitioned to establish a varsity soccer program, Frank stepped in once again, assisting with coaching, player selections, and guiding the team until it was fully established. The honor his legacy, the Ferrari Award was established in 1987. Each year, this award is presented to a senior player who exemplifies outstanding performance and commitment.

In 2022, Frank Ferrari passed away, leaving behind a legacy not only in Hershey, but throughout Central Pennsylvania. "Me voy cantando bajito."
