

I am
generous
with myself
& others.

I am walking
in generosity
& help those
in need

I am
generous
with my love

I am
generous
with my
money

Life is
generous &
abundant

I am a
generous
giver &
excellent
receiver

I am grateful
for the
generosity of
others.

I watch as
generosity
flows to me
and from me.

I am
attracting
generous &
kind people
wherever I go.

I have
something to
give.
