

## Cole and Sarah McCauley, your hands and feet for the orphaned

*To you O Lord, we owe everything; you deserve all we have.  
 Yet you do not need it, nor do you need us, and still you desire us.  
 You are sufficient to remain and exist in Glorious Perfection never changing.  
 Every attribute of Love, Justice, Kindness, Beauty, Truth, Holiness  
 All in its fullest & purest form; there is nothing, none like you.  
 You are in need of nothing, yet you desired to create us.  
 O, you are Kind, You are Glorious, You are Beautiful.  
 We give you all Praise, we thank You Holy One.  
 Teach us Your ways, direct our every day.  
 We are yours; we are for your Glory.  
 Thank you, Lord, Thank you!!!*

This month we are going to do what we normally do in the month of January, and I just want to thank and praise the Lord!!! Of course, that is the purpose of every letter we send to you. So, we know that God is the Creator, Sustainer, and Provider of all things, and that when we cry out to Him for our needs and even some wants, if they are in line with His will, it is sure to happen. He is Perfect and He is Mighty!! He is Faithful and Generous. We find such joy serving God and letting Him use us!!! We are so thankful that He chooses to use many of you as petitioners and providers, so we thank all of you who labor with us in this work! We praise God!!! And we praise God for you!!! All right... Let's take a look at all God did throughout the year!

- ❖ **God provided rent for another secure year in our children's home!!**
- ❖ **A missions team came who made progress building our outer wall of protection at the new property. They also cut hair, painted the school, translated lesson plans from English to Spanish, and loved on the kids.**
- ❖ **The Lord was intimate in our seeking of Him, and we were constantly encouraged in the ups and the downs! Providing wisdom, direction, correction, and comfort when needed.**
- ❖ **God provided the money to buy a brand-new transport van needed for the ministry!!!**
- ❖ **He sent six sewing machines that were donated so we can teach basic sewing.**
- ❖ **The Lord gave us wisdom and insight to dream and plan an educational system that would take care of academic education and a mix of classical education and practical skills.**
- ❖ **God sent a missions group who celebrated an exciting birthday party, and they built a huge swing set for the future Casa de Mi Padre!!!**
- ❖ **The Lord led someone to donate 1 electric piano, and He gave us the funds to buy 2 others for all the kids to practice.**
- ❖ **God led Fermina in helping Sarah organize/execute our afternoon educational program!!**
- ❖ **The living Word was proclaimed through another successful year of Bible Quizzing where much scripture was memorized and children won many prizes for their efforts.**
- ❖ **God sustained us through another year of great needs. At times we worried about the provisions, but again and again the Lord reminded us of His faithfulness. For years now, we have not had enough known committed supporters to take care of all our needs each month, but every single month we had all we needed in the end!!! Praise You, great King!!!**
- ❖ **God continued to guide and provide for 8 young adults in our ADVANCE program so they can eventually live on their own.**
- ❖ **Two of our ADVANCE young adults were able to start taking care of themselves.**
- ❖ **God sovereignly saw three ADVANCE program young adults, who rebelled and were enticed by the things of this world, leave our care. Two came to repentance, and one came back home for help and direction.**
- ❖ **God blessed three of our ADVANCE young adults in marriage. Juan and Fermina married; they had both grown up in our care! Peter found a lovely young woman with a great family, and they have gotten married and bought a home!!!**

- ❖ God led Sarah and I to help in the construction process with the new home. We were able to raise \$32,167. (more to come on this later)
- ❖ **Our Lord helped us send our teenagers to two missions conferences this last year!**
- ❖ God brought us Ashley, who was scared, shy, and terribly neglected, beaten, and violated, but.... We got to see her bloom and become an affectionate girl who knew she was loved and safe.
- ❖ **He used us to attend to her medical needs when we found out she was sick, needing two surgeries, and she is now in a much better state!!!**
- ❖ The King provided so we could celebrate every birthday with a party and gifts! Praise God!!!
- ❖ **In Jehovah Jireh's providence, we had one month where we only had \$296.65, and were worried a bit, but God provided just when we needed it!!!**
- ❖ The Lord provided to start braces treatment with 3 of our girls who needed them (which reminds me: we were given enough to provide for 8 months of their treatment and now are in need of financial help to continue to care for them. This will cost \$3,300 for a year, total for the three girls. They have about 14 months left.) We are so thankful we could begin the process.
- ❖ **God brought Dulce (Rudy's younger sister) to our home; she was rescued from violation, negligence, and trauma. Then their younger half-brother, Matias, was brought! We are thankful for each of them!!!**
- ❖ He also brought Manolo and his little brother Rosbibelex after the older was abandoned and the younger physically abused. We are very thankful for them
- ❖ **We praise God because Juan and Fermina came to us desiring to intentionally pursue one another for marriage. The Lord gave us wisdom in leading them and it seemed to go honorably, leading to their marriage happening in the month of October!!!**
- ❖ Not only did Juan and Fermina get married, but they decided they wanted to serve God alongside us as House Parents in our work! What a Joy!!! Praise You, oh King!!! Thank You!
- ❖ **God helped us provide for some of the wedding costs for Juan and Fermina!**
- ❖ We were blessed with great times of vacation with the children in there summer break from school!!
- ❖ **God brought our Christmas group, they helped us with summer camp for the kids, and brought Christmas gifts down for all the children!!! God provided for all the Christmas gifts and bikes!!!**
- ❖ The Lord blessed us regarding the construction of the commons house. Shane was able to dig out, pour, and seal the foundation, and the walls were started and are about halfway finished.  
(FYI we had to leave/take out many other things that came to mind.)

Wow!! Praise God! As I always say and am in constant awe of, I have never seen the hand of God move more than at Casa de Mi Padre! Praise to You, our Glorious King! Not because of what You give to us, but because who You are for us. You are Beautiful. You are Perfect. You are Peace. You are Holy. You are Righteous. O, how you care for us. You are our Savior, King, and Friend. We love You; we praise You; all glory be to You!!

*In Christ,*

*The McCauleys and the kids of Casa*

PS. - We continue to praise God and announce (haha, you thought I was going to say another baby! Haha... not for now) we are absolutely thrilled we can also mention: six tablets (iPad, Android, etc.) that we were asking for to help the kids learn more English were donated!!!!.... O yeah, and the surgery for Rudy's broken arm is now completely covered!!!!.... O yeah, and the rent for 2025 is completely covered!!!!.... O yeah, and we are going to start phase 1 of construction for the 1<sup>st</sup> of the two family-style homes!!! Can you believe it!!! Praise our God, for He is faithful!! Now, the first phase will finish in three weeks, so we already have to start raising for the 2nd phase!!! The cost the next phase is \$48,125, and we already have some funds, so now we only need \$24,083 to initiate phase two! Please pray about giving! We sincerely thank all of you who pray over us and our mission and sacrificially give! Well, that's all for now; we will see what God has in store for 2025. We'll talk to ya soon.

## Praises for God's blessings in the last month

- *The kids of Casa de Mi Padre put on a Valentine's Day program at another orphanage on the other side of town.* They prepared hymns to sing, piano solos and duets to play, and a couple of the boys even delivered a short sermon. They also led some fun games and gave out treats.
- *We received enough donations to pay for the entire year of rent for the children's home!* Thank you to everyone who prayed and gave toward this large need.
- *We also received enough donations to start phase 1 of the construction.* We are so excited to begin building the next family-style home on the land of the new Casa de Mi Padre!

## Prayer requests

- *For the Lord to continue to give us wisdom, patience, and joy as we lead the staff and children of Casa de Mi Padre as well as our own little family.*

## Giving opportunities

- The first phase of construction is estimated to take three weeks, so we are already anticipating getting ready for the 2nd phase! That phase costs \$48,125 and we already have some money raised for it, so now we only need **\$24,083 to fully fund Phase 2.**
- **Braces for 3 girls:** We were given enough to provide for 8 months of their treatment and now are in need of financial help to continue to care for them. This will cost \$3,300 for a year, total for the three girls. They have about 14 months left. Memo "braces" on checks, or online select McCauley Special Projects and "braces" in note section.
