

WHO WE ARE

In 2010, Shane Sanderson founded the Casa de Mi Padre children's home as a ministry of Child Rescue. In 2025, the organization became Child Rescue International, Inc. Our mission is still to provide refuge and shelter for needy children coming from shattered homes, neglect, abandonment, abuse, or who are orphaned through death. As our ministry has matured, we are now poised to be able to send some of our young people out on their own missionary journeys, and if the Lord wills, to spread the gospel internationally.

In 2026, Cole and Sarah McCauley, became the directors of Casa de Mi Padre. Shane stepped into his new role of director emeritus and continues actively serving and leading mission trips.

HOW TO HELP

- **PRAYING.** Sign up for our **monthly prayer letter** by contacting us at mccauleys@childrescueint.org or the mailing address below. Listen to our monthly **podcast** "Child Rescue International" for an audio version of our letter!
- **GIVING.** We rely on individuals and churches for all of our funding as we serve the children and young people of Child Rescue. We are not supported by a sending agency and do not receive any assistance from the Guatemalan government. In addition to the day to day needs running the orphanage, we are also working on a large construction project: building our own facilities on our own land so we won't have to rent anymore

Casa de mi Padre (My Father's House)

Where children receive hope, stability, food, clothing, shelter, family, schooling, solid Biblical instruction, and living examples of God's love.

Top: Mountains and volcanoes of Guatemala.
Bottom: Two of our kids in traditional attire.

Our orphanage is located in Santa Cruz del Quiché, Guatemala, Central America. Although the country of Guatemala is ecologically beautiful, poverty is particularly wide spread throughout the countryside and large intercity areas. Illiteracy, infant mortality, and malnutrition are among the highest in the region, while life expectancy is the lowest. The Quiché people are an indigenous group who have limited education and resources. The population of the city of Santa Cruz is between 45 and 55 thousand people. The opportunity for ministry is vast and the need for orphan care in Santa Cruz, the district of Quiché, and the surrounding region is real.

CHILD RESCUE - CASA DE MI PADRE

As a distinctly Christian orphanage, we seek to help our kids overcome the hurts in their past through the transforming power of the gospel. Our prayer is that the children and young people we care for will come to know the love of God, accept salvation through Christ, and be empowered by the Holy Spirit to radically love God and radically represent Christ to the world.

CHILDREN'S HOME:

The ministry of Child Rescue is to provide refuge and shelter for needy children coming from poverty, shattered homes, abandonment, or children orphaned through death. Child Rescue meets the physical needs of children in order to have the opportunity to then meet their emotional and spiritual needs. We usually have about 23 kids ages preschool to 17 living in our home.

We work to provide a loving, family environment in our children's home..

We make sure each of our kids has quality schooling and life-skills training.

ADVANCE PROGRAM:

When our young people turn 18 and have to leave the children's home, they can choose to enter this special program. We provide funding for them to finish their education and also receive assistance with housing and living expenses. Over the years, the McCauley family has opened their home to young ladies in the program, and Shane has had many young men living at his house.

We pour into the lives of our young adults as they journey toward independence.

We help our young people to pursue their education for a successful future.

MISSIONS:

We seek to glorify God by sharing His love with the kids in our care and the people in our area. Our kids participate in weekly Bible quizzing programs, camps, and retreats centered on living a Christ-like life. To truly be a Christian is more than a title: it's a radical life style. We teach our kids to be "on mission" in any occupation the Lord calls them to; we believe God is preparing some of their hearts to serve in some of the most challenging places on earth.

Proclaiming the glory of God is our highest goal!

We pray that our kids will follow Christ and live for Him.
