DESIGNED FOR EXTRAORDINARY LIVING

FHL POOLS & SPAS

At FHL Pools & Spas, we believe exceptional outdoor living begins with exceptional design. Every swimming pool, hot tub, swim spa, sauna and wellness space is carefully curated to complement your home, your lifestyle and the way you choose to live.

From intimate garden retreats to complete luxury wellness environments, we combine timeless design, premium craftsmanship and industry-leading products with meticulous installation and aftercare. Every project is individually considered, ensuring each detail reflects the standards expected from a truly bespoke luxury build.

Working alongside homeowners, architects, interior designers and landscape professionals, we transform ordinary spaces into destinations for relaxation, wellbeing and unforgettable moments with family and friends.

Whether you're investing in a statement swimming pool, a luxury hot tub, a high-performance swim spa or a complete wellness sanctuary, our experienced team manages every stage – from concept and design through to installation and lifetime support.

Our commitment is simple: deliver beautiful spaces, exceptional products and an experience that exceeds expectations.

WHY CHOOSE FHL

-  BESPOKE DESIGN CONSULTATION
-  LUXURY PRODUCTS FROM INDUSTRY-LEADING MANUFACTURERS
-  EXPERT INSTALLATION BY SPECIALIST TEAMS
-  COMPLETE PROJECT MANAGEMENT
-  DEDICATED AFTERCARE & ONGOING SUPPORT

THE BEST OF THE BEST

The best of the best. The Elite Collection combines world class design with unrivalled energy efficiency and market leading features.

Silver White

Odyssey Grey

Midnight Opal

ELITE 6 POINT THERMIC DEFENCE INSULATION SYSTEM

Our Elite Thermic Insulation System combines 6 points of insulation to ensure the most cost efficient hot tubs out there. The insulation points work in harmony, creating a thermal barrier that minimises heat loss and maximises efficiency.

- ✓ Extra thick, chill resistant foam insulation
- ✓ Specialised heat retention pipe covering
- ✓ Advanced thermal technology coating on panels
- ✓ Advanced thermal technology coating on base
- ✓ Full wrap around thermal barrier
- ✓ Extra thick tapered heat preservation cover
