# MINNEAPOLITAN

**PREMIUM VODKA WITH A  
HEART FOR THE TWIN CITIES**

Minneapolis Vodka is crafted in small batches at a micro distillery in Minneapolis, MN. Our vodka is 6 times distilled and carbon filtered, resulting in a sweet, smooth, and exceptionally clean taste. It makes a perfect martini, but also tastes great when enjoyed on the rocks or neat.

When choosing Minneapolis, you're not only serving a premium local spirit but also supporting the community. A portion of the proceeds is donated to local non-profits and community initiatives dedicated to making the Twin Cities a better place for all.
