

80 Minute Open Enduro Race - Team Challenge

Race Format & Rules

1. Team Composition

2 or 3 drivers per team

2 or 3 karts per team (any class mix allowed)

Minimum: 2 drivers and 2 karts

2. Transponder Use

1 transponder per team

Must be transferred between karts during pit stops

3. Driver & Kart Rotation

Each driver and each kart must participate at least once

For 2-kart teams: one kart must run twice (not back-to-back)

For 2-driver teams: one driver must run twice (not consecutively)

4. Pit Stop Procedure

Kart must come to a complete stop

Driver removes transponder and installs it on next kart

Only after installation can the next kart be started

5. Final Transition

Step 4 repeated for the last kart/driver switch

6. Race End

The team with the most laps at the 80-minute mark wins

7. Final Warning

75-minute mark: signal from flag stand to indicate 5 minutes remaining

Penalties

Failure to run all drivers and/or karts

5-lap deduction per missing driver or kart

Back-to-back use of same kart or driver

3-lap deduction per violation
