

LAKE LIVINGSTON VILLAGE IMPROVEMENT ASSOCIATION, INC.
ARCHITECTURAL CONTROL COMMITTEE
APPLICATION TO INSTALL IMPROVEMENTS

ARCHITECTURAL CONTROL AUTHORITY: The Declaration of Covenants, Conditions and Restrictions (“CC&R”) for each Section of Lake Livingston Village require that all Owners obtain approval from the Architectural Control Committee (“ACC”) of the Lake Livingston Village Improvement Association prior to placing, constructing, or installing any improvements on any Lake Livingston Village lot. This includes the construction of permanent structures; placement of mobile homes, travel trailers, portable campers, or RVs; and installation of sheds, fences, and pools. Owners who commence improvements on any lot prior to obtaining ACC approval or who install improvements inconsistent with approved plans face fines, removal of the unapproved improvements, and/or legal action.

REQUIREMENTS: (1) All improvements in Lake Livingston Village must comply with the applicable CC&Rs. (2) Applicants must not be delinquent on their Association assessments. (3) Applicants must have a “911” street address assigned by Polk County. (4) Lot plans must be provided on a survey. (5) All applications must be accompanied by a \$50.00 application fee and applicable Road Damage Deposit.

PROOF OF OWNERSHIP: Applications must include proof of ownership of the lot on which improvements are sought, such as a Property ID from the Polk County Central Appraisal District, or a legible photocopy of a record-stamped deed on file with the Polk County Court.

COMMENCEMENT OF CONSTRUCTION: Should this application be approved, approved construction/installation must commence within 90 days of the date of the written approval notice. If construction/ installation does not commence within that time, approval shall be deemed withdrawn and a new application must be submitted and approved.

- Name: _____
- Address: _____
- Phone: _____
- Email: _____

All contractors working in Lake Livingston Village must have General Liability insurance acceptable to the Association. *Attach the Declarations page for your general contractor and for any company that intends to deliver and/or install/tie-down a mobile home, manufactured home, travel trailer, RV, or similar structure.*

ACC APPLICATION

Page 5

+++++

As the property owner, I agree to abide by all restrictions in the CC&R and to construct all improvements in accordance with the plans approved by the ACC. I understand that the ACC has 30 days to conduct its initial review of this application, that final review may be delayed if the application is incomplete, and that I may not commence work until my application is approved.

I understand that I am responsible for all damage to Lake Livingston Village property, including all roads and drainage ditches, caused by my contractors, subcontractors, and/or other persons providing materials and/or services in connection with the project described in this application. I understand that the Road Damage Deposit shall be held by the Association in a non-interest bearing account in the name of the Association until my project is complete as further set forth herein. I understand, acknowledge, and agree that if the Association Board of Directors determines, in its sole and absolute discretion, that Lake Livingston Village property has been damaged as a result of my project, the Road Damage Deposit shall be used to repair such damage and that if the deposit is insufficient to repair the damage, I shall be personally responsible for all additional costs of repair. I have been advised to monitor my contractors, subcontractors, and other service-providers carefully and to document the condition of all Lake Livingston Village property impacted by my project. I shall immediately advise the Association in writing of any damage to Lake Livingston Village property. I acknowledge and agree that the balance, if any, of the Road Damage Deposit will be returned via check written to the person(s) on this application within 45 days after I advise the Association that my project is complete and the project is, in fact, complete.

***All Owners must sign this application.*
