Welcome to Summit Homeschool Academy ! Thank you for choosing us as your homeschool enrichment program.

The school remains committed to providing your child with a fun and collaborative learning environment to support your home education program. Summit embraces strong academics, creativity, critical thinking, community, and a lifetime love for learning using a project-based model and a metacognitive approach.

Summit Homeschool Academy is designed to be used as an element of support for your education program. Summit Academy and our Teachers are committed to partnering with you in the success of your child's education by providing 6 hours a week of professional instruction in English, Math and Science. The program also provides optional mentoring/homework help and professional development. The parent partnership commitment is intended to maximize student success by clarifying the program's role as an enrichment program only, and to reinforce the parent's role(s) as the primary educator who is responsible for their child's academic success.

Kindly acknowledge the partnership by checking the box below :

<b>PARENT PARTNERSHIP</b>	Questions:	Yes	
	Will you support your child with learning time outside of class, independent of the program as you see fit?		
	In Home School, parents are the primary educators. This program is only designed to support your home instruction be enriching them with collaborative and professional instruction, and making it easier to find community. Do you agree to use this program for enrichment and that our teachers are not the primary educators?		
	Have you read the Parent/Student Handbook and agree to the policies?
