BUSINESS SUMMARY

A Service Disabled Veteran Owned Small Business (SDVOSB) Graham Advisory Network Inc. (GAN) has located its operations in, and hires employees from economically disadvantaged areas of the United States. GAN's executive team has decades of experience managing projects and teams across a wide spectrum of industries and services. GAN works with government agencies, multinational corporations, and local small businesses to deliver the latest technologies, innovations, and services. As a SDVOSB GAN is also dedicated to supporting the needs of and optimizing the daily life of America's military and veteran families and support communities.

Project Management ★ Business Planning and Consulting ★ Devices and Technology ★ Software Licensing, Acquisition, Development, & Administration ★ Sales, Marketing and PR Support & Consulting ★ Healthcare Products and Services ★ Prime Vendor Sub-Contracts

CORE COMPETENCIES

GAN is a project, technology and solutions consulting firm providing project management, planning, development, distribution, sales and marketing services to vendors and the federal government. As a secondary focus GAN also provides healthcare products and consulting services to federal and private organizations. The members of GAN have a long history of success providing these services to more than 1000 organizations.

DIFFERENTIATORS

At GAN we understand that success is the product of listening, planning, organizing, and adapting to the needs of the client. We are dedicated to providing the best possible customer experience for all of our clients. As an advisory board member of both the Rutgers and Seton Hall Customer Experience certification programs and having developed and led multiple customer experience initiatives the GAN team is an ideal partner for success.
