Select Control Systems Limited
Unit 19i, White Rose Way
Follingsby Park
Gateshead
Tyne & Wear
NE10 8YX
Tel: 0191 417 5758

Job Title: Panel Wirer

Reports to: Chargehand

Location: Washington (NE10)

Eligibility: Must live and be eligible to work in the UK

Company:

Select Control Systems Ltd (SCS) specialises in electrical control panel design, build and test. Serving both local and multinational companies. SCS's reputation for quality and efficiency makes us the go-to partner with customers.

Due to increased work and growth, we are looking for an experienced Panel Wirer who takes immense pride in their work, works well in a team but most importantly, can *get on with it*.

SCS has been trading for more than 20 years and built strong and enduring relationships with customers and suppliers. Employees are taken care of and we promote a progressive professional development program.

To be successful, you will be responsible and accountable for the quality and timely delivery of your work. You will be able to work to tight deadlines and have a proactive approach.

How to Apply

Please email your brief cover letter and CV to jim@selconsys.com with the subject title "Panel Wirer Application".
