IMPORTANT INFORMATION FOR YOUR BRIDAL SERVICE

To help us serve you better and ensure that your wedding day runs smoothly, we ask that you and your wedding party please follow these simple guidelines:

TRIAL RUN

- Wear your hair down, Clean + Dry. (washed the night before with no product in it)
- Bring along any photos or inspiration of the kind of styles you like.
- Bring your veil, wedding hair accessories, and earrings.
- Bring a photo of your dress so your hairstylist can get a sense of the neckline.
- Wear white top (or whatever color your wedding dress is)

DAY(s) BEFORE THE WEDDING

- Do any color touch ups / hair trims at least 1 week prior to the wedding day.
- Freshly cut hair may be harder to style in certain styles so be sure to make haircuts very simple and not too drastic as this could affect your hairstylist's ability to create your wedding style.
- Everyone needs to plan to make sure their hair is clean, product free, and dry on the morning of the wedding. *Please make sure your bridesmaids understand this tip:* Shampooing/Drying hair the day before or hours earlier than the appointment holds much better than if hair is shampooed immediately prior to styling.
- Please make arrangements for your party to apply make-up prior to arriving or after leaving the appointment (if not pre-arranged to receive application by a professional in the salon). We do not allow clients to apply their own make up or style their own hair anywhere in Limitless Hair Studio.

WEDDING DAY

- Please have entire party arrive with clean, dry hair. We will not perform a wash and blow dry unless this was prearranged due to time management. We cannot allow clients to wash or dry their own hair at the studio.
- On the day of your wedding, you are invited to bring in any drinks or food that you feel will make your day more special. We ask that this be prearranged in advance so that we can prepare space.
- It is of utmost importance to be on time for your wedding day appointment. The entire party should arrive AT LEAST 15 minutes prior to appointment time. Even starting 15 minutes late will put everyone behind and we do not want you to be late for your special day!
- Wear your undergarments under a button-front shirt so you will be ready to slip into your dress when your hair is done.
- Bring/Lay out any tiara/hair crystals/jewel combs/flowers, or veil etc.
- If your stylist is coming to you, set up an area for them to style your hair and your bridesmaids' hair.
 - Consult your stylist to figure out how much room will be needed, as this will depend on the number of stylists scheduled and the amount of time allotted for hair and makeup.
 - If possible, choose a spot where there is plenty of natural light.
 - Have a low back chair for the bride to sit in.
 - Ensure adequate outlets for appliances. (2 outlets are sufficient)

RELAX AND ENJOY YOUR DAY! We look forward to working with you!
