Swasthya was established in 1983 in the hills of Kodaikanal, Tamil Nadu. 'Swasthya' is the sanskrit word for wellness. Our vision at Swasthya is to create wellness products with a conscience which are sustainable and eco-friendly. Swasthya has a wide range of personal care products which are based on authentic ayurvedic formulations.

Our products help to rejuvenate, repair and nourish the skin, hair and scalp naturally. Swasthya products are all made from natural and herbal ingredients from the hills of Kodaikanal. Our products are free of chemicals and are made using the help of the local people.
