

## **Before You Go**

heading to college.

Create an Emergency Contact List: Include family, friends, and important	Emergency Exits:   Identify the emergency exits in your	
campus contacts.  Health Information:	residence hall, classrooms, and common areas.	
Document any allergies, medical conditions, and current medications.  Digital Copies of Important Documents:  Save scanned copies of your ID, insurance	<ul> <li>Designated Meeting Points:</li> <li>Establish meeting points for various scenarios on and off-campus.</li> <li>Know the Emergency Alert Systems</li> </ul>	
card, and other crucial documents in a secure cloud storage service.  Self-Defense Awareness:	Understand how your campus communicates emergency information	
Consider taking a self-defense class before		

Emergency Kits		
	First Aid Kit:	
	Don't forget to order your fully stocked	
	College First Aid Kit and Instructional Manual	
	Emergency Supplies:	
	Flashlight, batteries, non-perishable snacks,	
	water bottle.	
	Weather-Specific Items:	
	Umbrella, raincoat, warm clothing (if	
	applicable).	

## **Transportation Safety**

**Campus Familiarity** 

<b>Know Local Transportation Options:</b>
Familiarize yourself with public
transportation routes, ride-sharing
services, and campus shuttles.
Map Out Walking Routes:
Identify safe walking routes on and off-
campus.
