Acting Presidential Team 2024-2025

As we join in the circle of love, may each of us have what we need to reach our full potential in caring for the self and ability to be of service in the bigger picture. May this include the Acting Presidential Team for Akamai University. Dr. Mary Jo Bulbrook acts as the University's CEO and President Emerita.

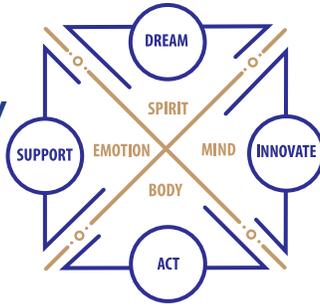

As Akamai University makes plans for the future it has become apparent that the University will be best served by a leadership TEAM.

We have successfully transitioned from Hilo, Hawaii to Durham,

North Carolina. We are in the process of digitizing all of our records. We are working with an advisory group for Social Media and Advertising. We are putting in place the needed requirement to become US Accredited and able to add .edu to our on-line presence.

The DSIA Community Akamai University

Our purpose is to engage and connect spiritually to **Dream, Support, Innovate and Act** and to empower participants on their spiritual path of service.

Our guiding principles are: To Be Present, Be Sensitive, Be Thoughtful, Be Loving, Be Vocal,, Be Insightful, Be Connected.

To Offer Support and Be Supported

DSIA is an on-line platform to communicate worldwide with outstanding leaders committed to uplift individuals, families, communities, organizations and nations to new levels of wellness, health and healing. By joining together, we are able to accomplish more, in less time, with shared expertise including working through our differentness honoring “one size does not fit all. Together we can rise above obstacles through mutual respect and integrity vs. power over others!

DSIA—Gathering of AU Faculty, Alumni, Students, Consultants, Guests

Usually the Fourth Tuesday of the month
12:00 noon – 1:30 p.m.
November 26 and December 17, 2024

Let’s dream big, support each other, innovate, and take action! The world needs more than just intellectual ideas. Together, we can inspire innovations in practice, education, and research that ignite compassion and empower individuals to reach new heights.

Our Approach

Spiritual Alignment For A Sustainable Future

The Model of Spiritual alignment includes: Family, Equality, Peace, Partnership and Planet Health all inseparable aspects that are needed to interrelate.

BioEnergetic Wellness Curriculum at Akamai University
