

Akamai University

Dedicated to improving human and planetary health

Mission

The mission of AU is to provide exemplary quality higher education worldwide, primarily through distance learning. As the world opens after the pandemic, in-person activities will resume.

Goals

There are three primary goals:

1. Exemplary education programs including degree - bachelor, masters, doctorate, certificates, seminars, and continuing education.
2. Scholarly research by faculty and students.
3. Innovative community projects improving the human condition, diversity & inclusion / ensuring racial equality / justice for all, and sustainability of the planet.

Akamai University 2021-2027 Revised Curriculum

Integrative Health College - Universal Equality College – Planetary Health College
College of Continuing Education

Curriculum Interconnected Pathways Based on the Oneness Principle

Everything in the universe both seen, and unseen is connected.

What happens in one part is felt, experienced worldwide whether we realize it or not.
