

Washington County Illinois Sheriff's Office Announcement

As a service to our residents and the business community, the Washington County Sheriff's Office is proud to announce a partnership with [BuyCrash](#) to provide online access to all Washington County crash reports. All crash reports will be available 72 hours (may vary by agency) after the crash occurs (or sooner) except for fatal crashes and crashes under investigation.

All requests from businesses for Washington County crash reports will be referred to [BuyCrash](#). Washington County Sheriff's Office will not provide crash reports to businesses unless a specific crash report cannot be located on the [BuyCrash](#) website.

Driver's or other parties to a crash can receive a free DRIVER'S EXCHANGE report if requested. This report contains the same information on the full report pertaining to date, time, location, drivers, owners and insurance information that would be needed for insurance notifications. Click [here](#) for detailed instructions on how to find on the BuyCrash.com website. This request can also be made on the Contact Us section of our website (www.wcso-il.com) or by calling 618-327-8273.
