The Jaycee Creed

WE Believe:
That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

SATURDAYS CORPORATE SPONSORS

Proud Supporter of the
Russell County Jaycee Fair!!

Joe & June Branscum and Family
2408 S. Hwy 127
Russell Springs, KY 42642

This is Dustin Adkins, the Russell County Jaycees 2022 Fair Manager. I know you have probably already read this message, but I am hoping that you are reading this around 11:00 pm, on the last Saturday night of the fair. I want to say THANK YOU, to the 68 members of the Russell County Jaycees for all of the hard work that they have put into making this fair possible, for the community of Russell County and surrounding areas. It takes a team to do this, some of the members you probably haven't seen all week, or even know who they are. There is way more that goes on behind the scenes, not just this week, but 365 days a year. The Jaycees try their best to give back to the community year around, through their work at the fairgrounds or their everyday walk of life. So all I ask is be appreciative to them and support them in the role they play as a Jaycee. Some people often forget or don't know that this is a voluntary organization, we do it because we love it and enjoy giving back to the community. I hope you have had a great week at the fair and made life long memories. We hope to see you next year!!

THANK YOU TO ALL OF OUR SPONSORS AND SUPPORTERS!!!

Kentucky Law: Mules/ponies must have negative blood test for infectious anemia (Coggins Test). Test must be after July 1, 2020. All out of state mules/ponies must have a health certificate from an accredited veterinarian within 30 days of pull.

RULES

1. Ropes 15 feet apart.
2. One best distance out of three tries. Teamsters may spot sled on third pull. No original direction. Light class will pull a distance of 12 feet. Heavy class will pull a distance of 15 feet.
3. In case of a tie placing reverts back to next best distance on that load.

4. Time limit of five minutes to cool and complete all three attempts from time team is hooked to sled.
5. After three attempts to hook to sled you will lose one pull.
6. Any team considered dangerous or out of control by officials will be disqualified.
7. Only four men per team including driver. Any more than four inside ropes will lose one pull for each offense.
8. There will be no whipping or punching allowed in or out of the ring area after the pulling contest starts or you will be penalized one pull for each offense.
9. If you are on or over the ropes you will be disqualified for that pull.
10. When weighing mules/ponies all animals will be weighed facing the same direction.
11. When sled stops, whistle will be blown.
12. Decisions of Judges will be final.

4-H Floral Hall Entries June 2022

GENERAL RULES FOR 4-H ENTRIES:

Apply to all 4-H Club Exhibitors and/or Exhibits
Russell County Fair 2022

Christy Martin, County Extension Agent for 4-H Youth Development
Kentucky State Fair General Rules applying to all 4-H Exhibits except livestock listed previously in the State Fair catalog.

1. Age—any 4-H member who has passed his/her 9th birthday or is in the 4th grade as of December 31, 2021, but has not passed his/her 18th birthday as of January 1 of the current year. Juniors are ages 9-13 and seniors are 14-18.
2. Residence—Entry in the 4-H Section is open only to 4-H members residing in Russell County.
3. Exhibitors must conform to the:
 - a) General rules listed here plus general rules of the State Fair catalog and
 - b) Specific rules governing the department in which the entries are made.
4. 4-Hers can enter in only one unit under each lot #. (Exception: 4-Her can enter in Division A and Division B of Arts and Crafts lot #.) Exhibitors can enter only one item in each class.
5. Entries are to be made in the name of 4-H participant and the work of the 4-H member. Neither the Russell County Jaycees nor the Extension Office will be responsible for any loss or damage to the exhibitor or the spectators; however, the utmost care will be used to prevent loss or injury.
6. All entries must meet minimum standards to receive a ribbon. Exhibits unfit for show or of such low standard as to make questionable their right to compete will be declared ineligible and no award will be paid on them. All entries must be identified with labels securely attached.
7. The Danish System of judging will be used with the top entry in each class designated. Floral Hall premium money will be determined by the Russell County Jaycees. (Does not apply to livestock.) Class champions receive same premium as a blue ribbon winner in that class (no extra premium paid).
8. Exhibit entries which do not meet all of the requirements will be judged and receive a blue, red, or white ribbon but will not be considered for unit or class champions or any other special awards. Any exceptions to this are listed with the rules for the lot to which they pertain.
9. All gardening exhibits must be the work of the 4-H member.
10. Entries eligible for entry in the Kentucky State Fair will have a special designation.
11. Cloverbud entries are non-competitive and will not receive premium money.

4-H Horticulture & Plant Science

All plants should have been grown by the 4-H member. Exhibits should not have pesticide residue. Plants are entered at your own risk of damage. Containers should not use garden soil; plants should be grown in well-drained, disease-free potting soil.

(Examples: foot stool, puzzle, revolving tie rack, 4-H key holder, cutting board, book rack, serving dish, shelf, hopper-type birdfeeder)

WOOD 678 Wood Science, Level 3 not from a kit

Items showing a more advanced knowledge of power tools, expertise in cutting, fitting, surface preparation, attention to fastening details, and finish application (Examples: multi-purpose box, corner shelf, book shelf or laminated wood projects, garden bench, planting box, nail and tool box, shop tool rack & shelf, etc.) Original designs are welcome. This exhibit is made up of two parts: 1) the item and 2) a folder containing photographic documentation of the steps taken in order to complete this exhibit.

4-H Entomology

ENTO 687A Insect Collection, 1st year project

Collections must contain 25-50 specimens in at least four different orders. Identification beyond order is not necessary. All specimens must have date and locality label.

ENTO 687B Insect Photography Collection, 1st year

- Images must be submitted on a USB memory device (i.e. thumb drive) with no other data except for the images and folders. The USB device must be identified externally with a tag and label, showing "4-Her's last name-County". (Other details must be added if the entry is selected for Kentucky State Fair Exhibit.) The single root folder will be labeled with the same information. Images will be contained inside this folder.

- Each image will be in .jpg format, 1920x1080 pixels. Vertical or horizontal black bars may be present to allow for cropped images.

- Each image will have a filename that matches the following: "lastname-county-#.jpg," where "#" indicates the number of the image inside the folder. (Ex: Doe-Russell-1.jpg.)

- Each image will include a 400x300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including outside the black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Arial, 18pt, black, non-bold, or larger. The notation field will include the following information, with one space between each line:

[4-Her's Name, County, Lot Number, Class Number]

[Date of original photo/Location of original photo/ Location may be in the form of street/city/zip code address or GPS coordinates]

[Brand and type of camera or camera phone]

[settings including type of lens, relevant camera settings, and "flash" or "no flash"]

[Insect order – Common name]

Digital insect collections will be penalized if they (1) consist of images that were created by someone other than the 4-Her and (2) are not submitted and labeled according to guidelines. No credit will be given for photographs submitted beyond the number required.

4-H Honey

Honey will show better in oval, flat sided to square clear glass containers. 4-Her's must use standard honey jars. Wide-mouth mason jars or wide-mouth honey jars may be used. The jars and lines must be clean. Fill jars to the "fill line". The "fill line" is the continuous ring that circles the jar and not necessarily the threads that help hold the lid. NOTE: Two jars must be submitted for the following classes. Exhibitor may enter up to two classes (one extracted, one chunk).

ENTO 692 Two one pound glass Queenline or Classic jars of white extracted honey

ENTO 693 Two one pound glass Queenline or Classic jars of light amber extracted honey

ENTO 694 Two one pound glass Queenline or Classic jars of amber extracted honey

ENTO 695 Two one pound glass Queenline or Classic jars of dark amber extracted honey

ENTO 696 Two wide mouth pints or Classic jars of chunk honey, any color

ENTO 697 Any frame of capped honey suitable for comb honey (light)

ENTO 698 Any frame of capped honey suitable for comb honey (amber)

ENTO 699 Any frame of capped honey suitable for extraction (light)

ENTO 700 Any frame of capped honey suitable for extraction (amber)

ENTO 701 Best display of one-frame observation hive of honey bees consisting of worker bees, a properly marked queen, and brood.

FLORAL HALL / 4-H ENTRIES

4-H Forestry

Exhibitors must have the correct number of specimens requested per class.

FORS 703 Leaf Collection

FORS 704 Leaf Print Collection

Collect and print 10 leaves representing 10 forest trees found in Kentucky. Instructions in the unit 1 forestry project book activity 2 must be followed. Contact Extension Office to obtain instructions.

4-H Geology

Contact Extension Office for details on display box size and guidelines. Rock, mineral, and fossil identification labels and labeling instructions can be found at the Kentucky Geological Survey (KGS) website (<http://www.uky.edu/KGS/education/4H.htm>). Polished specimens may lose points at the state fair. Box must have a Plexiglass cover that can be opened. Specimens cannot be mounted in jewelry.

GEOL 715 1st year project – consists of 15 different specimens of rocks, minerals, and/or fossils

4-H Arts

May enter only one item per class. All items must have been made since the last Russell Co. Fair. All items that are easily separated or destroyed may be placed in a clear plastic bag. Junior classes are for ages 9-13; senior classes include ages 14-18. See general rules for determination of 4-H age.

Painting and drawing exhibits should be framed and have an attached wire hanger (State Fair rules). No wire hooks taped to the back. All hangers must support the weight of the item. Pictures should be ready for hanging. Pictures should be mounted on firm mat board with attached hanger. No foam core board or poster board allowed.

Senior exhibits need an artist statement. The artist's statement should be written in paragraph form and contain the following information:

- Youth's name
- Fair class
- Title of the Work
- Medium (What materials were used?)
- Explanation of where you got your inspiration or ideas to create this artwork
- What kind of message were you trying to communicate to the viewer (mood, feeling, emotion, etc.)

4-H Photography

May enter only one exhibit per class. All pictures must be made since the last Russell Co. Fair.

All classes with one photograph should be mounted on 10x16" WHITE mat board (no poster board or foam core board). Single photographs are limited to a maximum size of 8x12".

All classes with multiple photographs should be mounted on 16x20" WHITE mat board (no poster board or foam core board). Single photograph categories may also be framed, but if photograph is selected for Kentucky State Fair entry, it must be mounted on mat board.

Each picture should be mounted securely. Photos must be mounted on white mat board. (Mat board can be purchased at craft stores such as Hobby Lobby, Michaels, etc. A limited amount of mat board may be available at the Extension Office for purchase.) Rubber cement or dry mounting tissue is recommended. Do NOT use photo mounting corners. Pictures may be cropped (trimmed).

(Suggestion: For best display, single photography categories present best at an 8"x10" size.)

Leave a 2" x 5" section in the lower right corner of the mat board for an identification label.

Labels are REQUIRED for all categories except Horticulture photography. The label should be typed on white unlined paper and placed on the back of the mat board. The label must have the following info: (1) class, (2) subject, (3) location of photo, (4) skill/equipment used (camera specifics such as point and shoot, cellphone camera, or DSLR; if DSLR is used, list specific lens, tripod use, trigger release use, lighting use, etc.), (4) skill applied from 4-H Photography Curriculum with specific curricula page (contact Russell Co. Extension Office for this information)

Required materials are to be mounted on the back of the mat board.

- Use domestic sewing machine quilt
- No long arm or hooped embroidery quilting accepted

4. Size is listed by class with measurements of perimeter (total outer edge measurement). Ex: 120"=30" square or 25"x35" rectangle – or any combination of 120". Can be smaller or larger as noted in class information.

5. Hanging sleeve or tabs are optional except in #846.

QUILT 845 Strip/String Quilt – use strips of varying widths to make 4 blocks, sewn together for the top. Stitched and turned or self-binding suggested. Perimeter not to exceed 132". Quilting lines can be up to 8" apart.

Suitable for beginners.

QUILT 846 Wall Hanging – Begin with a square or rectangle piece of focus fabric or printed panel. Add at least 2 borders to the center block/panel. Add fabric loops for hanging. Finish with stitch and turn. Quilting can be stitch-in-the-ditch or echo quilting up to 6" apart. Perimeter not to exceed 132". Suitable for beginner. Hanging sleeve or tabs are required.

QUILT 847 Four Patch Runner – Hand or machine piece 3 four patch blocks. Each four-patch must include at least two 6" square patchwork units made with square and/or rectangle pieces (ex. Four patch, rail fence). No triangle pieces. Finished quilt should measure 12"x36". Quilting lines can be up to 6" apart. Stitch and turn or self-binding suggested. Suitable for advanced beginner.

QUILT 848 Quilt as You Go Quilt – Create a quilt using any quilt-as-you-go method. Add rows to the edge so that face fabric, batting and backing are attached to the previous piece. There is not additional quilting needed. Applied binding with mitered corners. Perimeter should not exceed 144". Suitable for advanced beginner.

QUILT 849 Small Patchwork Quilt – Sew four 12" square blocks or nine 9" square blocks with sashing and/or borders. Triangle pieces and/or machine appliqué are required. Hand or machine quilt. Applied binding with mitered corners. Finished quilt not to exceed 36"x36".

QUILT 850 Dimensional Pieces, Miniature Scale, or Landscape Design Quilt – Create a quilt using dimensional pieces, miniature scale, or landscape design techniques. May include fused fabric, dimensional additions, hand or machine appliqué, free motion quilting, and/or decorative edge finish. Perimeter size minimum 100" and a maximum size of 200".

QUILT 852 Applique: Pillow with Appliqué – Choose a pattern to appliqué by hand or any machine stitch onto a background. Raw edge appliqué is acceptable. Finish into a 14" or 16" pillow. Quilting as appropriate for the piece.

QUILT 855 Non-traditional Fabrics Quilt – Sew a pieced top using non-traditional materials such as t-shirts, ties, bandanas, or denim. T-shirts must have interfacing and have sashing separating each block. Cotton fabric or fleece may be used for backing. Quilting must be done by the 4-H member/exhibitor and be appropriate for the design. Perimeter must be larger than 200".

4-H Home Environment

May enter only one exhibit per class. All entries should have been made since the last Russell Co. Fair. All entries must have a functional use in the home.

HE 887 Color collage -- A collage of color created by the 4-H member to depict colors liked by the member. On mat board or foam core board, arrange various colored papers, fabrics, wrapping paper, carpet samples, autumn leaves, or other materials of various colors in an artistic arrangement.

HE 888 Texture collage – A texture collage is a collection of textured items or rubbings of textured items artistically arranged and adhered to mat board or foam core board. To make a rubbing, place paper over the surface and rub the paper with a crayon, soft-lead pencil or charcoal pencil until the texture shows through; adhere the paper neatly to mat or foam core board.

HE 889 Transparent finish applied to small wood object. Apply a clear finish such as tung oil or penetrating seal or polyurethane which does not contain stain to a small wood object such as a bowl, tray, cutting board, board game or small box. Items finished with paint do not fit in this category. (Do not put stain on item; it must have a natural finish.)

HE 890 Simple cloth item for the home. (Sewing machine may be used but is not required.) Examples include: decorative pillow, table cloth, laundry bag, place mats, footstool with a seat made of woven fabric, fabric applied to an item such as a box, plate, or lampshade. (Unacceptable items for this category include purses, tote bags, backpacks, duffle bags.)

HE 891 Waste basket; decorated by 4-H member

HE 892 Crate Bookshelf – Begin with 2 unfinished wood crates, 2" wood toy wheels, and 4 wide wood pegs, paints. Paint the crate, wheels, and pegs with one color and allow to dry. Use painter's tape to create geometric designs on the inside and outside of the crate and decorate with paint. Glue wood pegs to corners of crate and allow to dry. Glue toy wheels to center of wide wood pegs and allow to dry. Glue crates together and allow to dry for 24 hours. Try to keep an even paint finish and no paint drips and no glue smudges.

HE 893 Bulletin board (Must be ready to hang with appropriate hardware attached.)

HE 894 Decorative item for the home and photo – Decorative item created by the 4-H member; include a photo showing how the item fits into the home's décor. (Such as latch hook rug, wreaths, etc.) This category does NOT include purses, tote bags, backpacks, duffle bags, or other personal use items.

HE 895 Simple wood item refinished by 4-H Youth. Should have straight lines with no elaborate carvings or turnings. EX: refinish a footstool, children's furniture, small box, tray, picture frame, bookshelves, or plant stand. Documentation to include a "before" photo with explanation of how the item was refinished must be securely attached.

HE 896 Cloth item for the home created using a sewing machine – examples for this class include hemmed tablecloth or table runner, wall hanging, pillow case, fabric shower curtain, laundry bag, valance, or curtains. (Unacceptable items include purses, tote bags, backpacks, and duffle bags.)

HE 897 Design an invitation card and thank you letter/note for a sleep-over, birthday party, or other occasion of your choice. Cards/letters may be

created with computer software or handwritten. Invitation card must be the 4-H member's original artwork, computer-generated art, purchased or found decorative items. The message written in the invitation card is more important than the decorations. Card should be designed on cardstock paper. Write your name and county on the back of the invitation card and place the card in a plastic sheet protector. (Please use fictitious name and address and contact information on the invitation and thank you card.) The envelopes do not need to be included in this exhibit.

HE 898 Accessory for the Home created by the 4-H member – This exhibit is made up of 2 parts: (1) the accessory and (2) a sheet or folder of documentation. Documentation is to include: sketch or photo to show how the accessory is used in the home and a description of how the design and colors fit in with the other furnishings and color used in the home.

Examples of accessory items include stitchery or applique wall hanging, latch hook items, pillow with applied design (stitchery, applique, or other media), rug, picture in appropriate frame and ready to hang.

HE 899 Individual place (table) setting – This exhibit is to be made up of two parts: 1) one individual place setting appropriate to a theme or event chosen by the 4-H member and 2) a color photo or diagram of the place setting showing how it should be arranged. Include plate, beverage container(s), place mat, and napkin. Additional decorative item(s) are optional. All items that make up the place setting are to fit on the surface of the placemat. Flatware (knife, fork, and spoon) must be included in the photograph/diagram showing how all the items are arranged. (Do not send flatware to the fair.) To insure that all pieces get returned to the youth, write the name and county on tape and place it on every part of the table setting in a location hidden to the public when exhibited at the fair.

HE 900 Piece of refinished furniture – The furniture must be stripped, sanded, and painted or stained/sealed by the 4-H member. This exhibit is to be made of two parts: 1) furniture piece and 2) documentation.

Documentation must include a "before" photo with explanation of how the item was refinished. Documentation should be securely attached to the furniture piece.

HE 901 Old or discarded item made useful in a new way as a home accessory. The exhibit must include the item AND documentation of a "before" photo, an explanation of how the item was made useful again in a new way, the materials used, and cost and time involved in the project. Examples: old silverware flattened and made into wind chimes, scrap wood pieces made into wall art, old lace doily attached to a pillow or framed, old tool box cleaned up and made into a TV stand.

HE 910A Color Wheel Collage – Make an art color wheel with a collection of objects (i.e. paper, fabric, wrapping paper, wallpaper, carpet, or other materials) that are artistically arranged and adhered to mat board or foam core board.

HE 910B Home Design Style Board – Some home styles include American Traditional, Shabby Chic, Industrial, Southwestern, Farmhouse, Mediterranean, etc. Identify one style to create a style board that represents that style. The style board can include fabrics, magazines, online photos, furniture, lighting, and room photos, as well as other items that represent the style. The design board must be between 8.5"x11" to 11"x17" and attached to mat board or foam core board. The name of the design style should be visible on the display.

HE 910C Bubble Diagram for Home – Bubble diagrams are sketches that help identify and prioritize areas in and around the home that should be

FLORAL HALL / 4-H ENTRIES

included in the plan and how traffic and light flows from one space into another. These designs are used at the preliminary phase of the design process. This exhibit includes two parts: (A) a mounted color bubble diagram for a home and surrounding space. Each bubble should be labeled according to the spaces intended use. Include arrows or lines to signify the flow of traffic between spaces: (B) a folder of the following documentation – (1) What are the central bubbles in your diagram and why? (2) What style of home best aligns with your bubble diagram? And (3) A legend with color coding, explanation of arrows or lines and other items that show up on your bubble diagram.

HE 911A Bedroom Floor Plan – This exhibit is made up of two parts: (1) a mounted room plan and (2) folder of the documentation described next. Use (scale: 1 square = 1 foot). Include door(s), window(s), and furniture. Minimum size is 8.5”x11” and maximum size is 11”x 17” and mounted on mat board or foam core board. Documentation should include (1) the dimensions, (2) the square feet in the room, and (3) tell about how you worked with the items in the room such as walls, windows, doors, and furniture.

HE 911B House Floor Plan -- This exhibit is made up of two parts: (1) a mounted house plan and (2) folder of the documentation described next. Include bedroom(s), bath(s), living space, kitchen, door(s), and window(s). Minimum size is 8.5”x11” and maximum size is 11”x 17” and mounted on mat board or foam core board. Documentation should answer the following questions: (1) Did you look at other floor plans for inspiration? (2) What type of roof does your house have? (3) Did you consider how a family member who is disabled (i.e. in a wheelchair) might get around in the home?

HE 912A Presentation Board – Color Scheme for One Room -- This exhibit is made up of two parts: (1) a mounted room plan and (2) folder of the documentation described next. Create a presentation board that illustrates a color scheme for any room in the home. On mat board or foam board, mount color pictures or actual swatches of fabric, wall covering, paint, and flooring. (Color pictures may be downloaded and printed or cut from magazines to represent these items. The mounting board should be approximately 16”x20”. In the folder, describe the person who lives in the room and the decisions required in selecting the color theme.

4-H Leadership, 21st Century Skills, Civic Engagement

LEAD 925 Sr. Division (grades 9-12) Résumé – one page résumé created in Microsoft Word using the guidelines in the 4-H Workforce Preparation Curriculum (<https://4-h.ca.uky.edu/workforce-prep>)

LEAD 925A Jr. Division (grades 4-8) – Youth conducts an interview with someone in the community and creates a poster showing the results of the interview. The person should work in the field the youth is interested in pursuing as a career. Topics to cover in the interview include: first name of the interviewee, position title, responsibilities, experiences, education or training needed, why chosen, challenges and successes in the position. A one-page narrative describing the process should be attached to the back of the poster. Poster should be 20”x30” and designed with poster in vertical position. Posters will be judged based on theme, poster design (lettering, attractiveness, how well it conveys the message), and narrative. Use of pencil on the posterboard is discouraged.
